ASSIGNMENT

WHEREAS, Keith S. Jackson (the "Assignor"), having a post office address of 15505 128th Ct. NE, Woodinville, WA 98072, is the sole inventor of the invention described in the following application:

United States utility patent application entitled "INFLATABLE CUSHION", US Application Serial No. 13/028,189, filed on February 15, 2011.

WHEREAS, Industrial Revolution, Inc. (the "Assignee"), a Washington corporation, having a place of business at 9225 151st Avenue NE, Redmond, WA 98052, is desirous of acquiring the entire right, title and interest in and to said invention, said application and in and to any letters patent that may be granted for said invention in the United States and in any and all foreign countries.

NOW, THEREFORE, in consideration of the recitals set forth above, which are incorporated herein by reference, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged; Assignor hereby sells, quit claims, assigns and transfers to Assignee, the entire right, title and interest, if any, in and to said invention, said application and any and all letters patent which may be granted for said invention or result from said application in the United States and its territorial possessions and throughout the world, and in and to any and all divisions, reissues, continuations, utility models or other applications or intellectual property rights of any type covering said invention or based upon or claiming priority on said application, together with all rights of Assignor associated therewith, including the right to file additional U.S. and foreign applications for said invention directly in the name of Assignee and to claim priority rights deriving from said application by virtue of U.S. laws, international convention, treaty or otherwise, and to sue for and collect damages by reason of past infringement. Said invention, application, all letters patent which may be granted for said invention, and all other intellectual property rights covering said invention or based upon or claiming priority on said application are to be held and enjoyed by Assignee and its successors and assigns as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment, transfer and sale not

been made. Assignor hereby authorizes and requests the respective national, regional and international patent offices to issue to Assignee all letters patent which may be granted for said invention or result from said application. Assignor agrees to execute all instruments and documents required for the making and prosecution of application for United States and foreign letters patent on said invention, for litigation regarding said letters patent, or for the purpose of protecting title to said invention or letters patent therefor.
