An attendance sheet has been set up which has been initialed by each member entering the meeting and to which were annexed the proxies of the shareholders represented by an empowered agent.

The meeting is chaired by Mr. Frédéric d'ALLEST, Chairman of the Board of Directors.

The MATRA HACHETTE company, represented by Mr. Jean-Louis GERGORIN and the NORTHERN TELECOM FRANCE company, represented by Mr. Jérôme HURET, the two shareholders in attendance and who accept, with the largest number of votes, are called upon to act as vote counters.

The attendance sheet, certified correct by the members of the office thus formed, enables to observe that all shareholders are in attendance or represented.

The chairman observes also that the Auditors, invited in the customary fashion, are absent and excused.

Since the quorum is largely exceeded, the meeting can as such deliberate validly and it is declared properly convened.

The meeting provides him with a record of these statements.

## III

6. power of attorney for the formalities.

Then, the Chairman presents the Board of Directors report. Once the reading has ended, he opens the floor to the shareholders.

After a brief exchange of opinions, the Chairman then reads the resolutions submitted to the meeting.
