ASSIGNMENT

WHEREAS, We, Jeffrey W. Lemke of St. Thomas, Canada, Ian W. Donaldson of Jefferson, Massachusetts, and John David S. Gurosik of Kersey, Pennsylvania have made certain inventions which are described in an application for Letters Patent of the United States entitled **BRAZED COMPONENT AND METHOD OF FORMING A BRAZED JOINT THEREIN** executed by us preparatory to obtaining United States Letters Patent therefor and claiming the benefit of U.S. Provisional Patent Application Nos. 61/066,804 filed 22 February 2008, and 61/101,457 filed 30 September 2008, PCT/US2009/034697 filed 20 February 2009, and U.S. Patent Application 12/919,118 filed 24 NOV 2010, and

WHEREAS, GKN SINTER METALS, LLC, a Delaware corporation having a place of business at Auburn Hills, Michigan, (hereinafter called Company), is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof and for all foreign countries.

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) to us in hand paid, and other good and valuable consideration, receipt whereof is hereby acknowledged, we hereby sell, assign, and transfer unto said Company, its successors and assigns, effective retroactively from the date of making said inventions, the entire right, title and interest throughout the United States of America and the territories thereof and for all foreign countries, in and to said inventions, the aforesaid application, and all other applications hereafter filed in the United States or any other country based in whole or in part on said inventions, and all Letters Patent granted upon said application by the United States or any other country, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said Company. We further grant to said Company, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries.

We hereby warrant that we have the full right to make the conveyance herein, and we hereby covenant that we, our heirs, legal representatives and assigns, will, when requested, communicate to said Company, its representatives, successors and assigns, all facts known respecting said inventions, execute all applications including regular, divisional, continuing, reissue, reexamination and foreign applications together with individual assignments therefor, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said Company, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, we have hereunto set our hands and seals on the date indicated below our signatures.
