ASSIGNMENT OF PATENT APPLICATION

Whereas, Dr. Beverly L. Roeder, hereafter referred to as "Applicant", has invented certain new and useful improvements for Methods for Diagnosing and Treating Disease in Animals by the Analysis of Isotopes of Elements Such as Carbon and Nitrogen in Animal Substrate hereafter referred to as "Invention", for which an application for a United States Nonprovisional Utility Patent will be filed on or around 31 March 2011, and will be entitled Methods for Diagnosing and Treating Disease in Animals by the Analysis of Isotopes of Elements Such as Carbon and Nitrogen in Animal Substrate and will claim the benefit of US 61/341,565; , and whereas, I, Dr. Beverly L. Roeder, hereafter referred to as "Applicant" and whereas, Brigham Young University of Provo, Utah, hereafter referred to as "Assignee", whose mailing address is 3760 HBLL, Brigham Young University, Provo, UT 84602-6844, is desirous of acquiring the entire right, title, and interest in said patent application and in any patent or continuation of a patent that may be granted;

now, therefore in accordance with the Employment Agreement that I have previously entered into with Assignee, as well as in full consideration of the financial and non-financial support from Assignee that aided me in inventing said Invention; I, the Applicant, by my signature and presence do sell, assign, and transfer unto said Assignee the full and exclusive right to the said Invention in the United States and in all the territories and nations of the world and the entire rights, title, and interest in and to any and all Patents which may be granted therefore in the United States or a nation of the world. I, the undersigned, do hereby authorize and request the Director of the United States Patent and Trademark Office to issue said United States Patent to said Assignee, of the entire right, title, and interest in and to the same, for its sole use and behoof; and for the use and behoof of its legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me if this assignment and sale had not been made.
