## ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION,

I, DERRICK GREEN, whose address is 95 Talisman Crescent, Fredericton, N.B., Canada, E3C 1L9 have agreed and hereby agree to assign for good and valuable consideration, receipt of which is hereby expressly acknowledged, and do hereby sell, assign and transfer unto

**UNIVERSITY OF NEW BRUNSWICK** (the "Assignee") whose address is P.O. Box 4400, Fredericton, New Brunswick, E3B 5A3, Canada and its successors, assigns and legal representatives, the entire right, title and interest, for all countries in and to the inventions relating to the

Spin Echo SPI Methods for Quantitative Analysis of Fluids in Porous Media

described in the US Provisional Patent application entitled "Spin Echo SPI Methods for Quantitative Analysis" dated July 15<sup>th</sup>, 2008, and also described in the International Patent Application under the Patent Cooperation Treaty entitled "Spin Echo SPI Methods for Quantitative Analysis of Fluids in Porous Media" dated July 8, 2009 and to any invention(s) and improvement(s) set forth in said Patent Applications, and any and all applications, continuations, continuations-in-part, divisionals, and renewals of and substitutes for Letters Patent for said invention(s) and improvement(s), and all the rights and privileges under any and all Letters Patent that may be granted therefor in any country, and any reissues, or reexaminations, or extensions of said Letters Patent. I request that any and all Letters Patent for said inventions and improvements be issued to said Assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

I agree that, when requested, I will, without charge to said Assignee, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said Assignee, its successors, assigns and legal representatives or nominees.

I authorize and empower said Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions and improvements filed by it or them, the benefit of the right of priority provided by the Patent Cooperation Treaty, the Paris Convention, and the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for said treaties and conventions, and to invoke and claim such right of priority without further written or oral authorization from me.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of said Assignee or nominee to claim the aforesaid benefit of the right of priority provided by any international treaty or convention which may henceforth be substituted for it.

I covenant with said Assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that I have full right to convey the same as herein expressed.

IN WITNESS WHEREOF, I have hereunto signed my name on the day and year set forth below.
