ASSIGNMENT

For value received, We/I, WenHong Neoh, residing at 1261 South Adams St. Apt. #3 Bloomington, IN, 47403, hereby assert that the rights to the invention or inventions below mentioned vest in Cook Incorporated, a corporation of the state of Indiana having an office at 750 N. Daniels Way, Bloomington, IN 47404, U.S.A., by virtue of employment or otherwise hereby sell, assign, and transfer to Cook Incorporated and its successors, assigns, and legal representatives, the entire right, title and interest in the said invention or inventions, and

For value received, Cook Incorporated hereby sells, assigns and transfers to Cook Medical Technologies LLC, a limited liability company of the State of Indiana, having an office at 750 N. Daniels Way, Bloomington, IN 47404, U.S.A., and its successors, assigns, and legal representatives, hereinafter collectively "CMT," the entire right, title and interest in said invention or inventions, said rights being in the United States of America and all other countries and states of the world and being to the invention or inventions related to ERGONOMIC BIOPSY INSTRUMENT and being described in U.S. patent application No. 13/040,671, filed on March 4, 2011, and any and all applications claiming the benefit thereof including the right of priority, and all rights and privileges in said application and under any and all Letters Patent or any continuation, division, renewal, or substitute thereof, and any reissue or re-examination thereof that may be granted in the United States and in any country or state of the world for said inventions.

We/I sell, assign, and transfer this right, title and interest as of the day of signature or of filing of the U.S. patent application mentioned above, whichever is the earlier.

We/I authorize CMT to make application for such protection in their own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of

protection for said inventions, without further authorization from us/me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We/I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right CMT to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We/I request that any and all patents for said inventions be issued to CMT, but in the United States and in all countries foreign to the United States or to such nominees as CMT may designate.

We/I agree that, when requested, we/I shall, without charge to CMT, but at their expense, sign all papers, take all rightful oaths and do all acts which may be necessary, desirable or convenient in connection with said applications, patents or other forms of protection.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my signature on the date set forth hereinafter.
