## AGREEMENT

### Title of the Invention: A SYSTEM AND METHOD FOR BATCH SIZING HAIR DYE MIXTURES

Assignee: SureTint Systems, LLC  
Address: 500 Skokie Blvd., Suite 280 Northbrook, IL 60062

PATENTS: The Employee having made the invention and filed a application for within the United States thereon, and the Assignee being desirous of acquiring the same; in consideration of and in exchange for the sum of One Dollar (\$1.00) and other good and valuable consideration, of the Employee hereby assigns to the Assignee, including its successors, assigns, heirs, administrators, all of the Employee's right, title and interest in and to the invention and the patent application therefore identified herein and to any and all patents which may evolve therefrom. The Employee also assign all of their right, title and interest in and to said invention in all foreign countries, all applications for Letters Patent in foreign countries on said invention and any Patents which may evolve therefrom, including the right to claim International Convention priority.

COPYRIGHTS: The Employee having made the invention hereby grants, conveys, transfers, alienates and assigns exclusively to the Assignee, for and throughout the world, all rights, titles and interests that Employee has, may have in the future, or may have the right to claim now or in the future, in and to any and all foreign, federal, state or local copyright, trade secret, or other intellectual property or other laws, is intended to be all-inclusive, and specifically includes the right to sue for and collect and retain all damages associated with past, present or future infringements of any or all of the invention. Employee's assignment of the invention to the Assignee under this Agreement constitutes a complete, absolute and exclusive transfer of all rights (legal, equitable, use and otherwise) in and to the invention, whether such rights are currently existing or arise in the future. The Employee does not reserve or retain any right, title or interest in any invention. Employee acknowledges and agrees that invention constitutes the sole, exclusive and confidential property of the Assignee. Employee acknowledges that invention may include commercially valuable trade secrets that automatically become the Assignee's exclusive property when they are conceived, created or received. To the fullest extent permissible by applicable law, all copyrightable aspects of the Work Product will be considered "works made for hire" (as that term is used in Section 101 of the U.S. Copyright Act, as amended), permitting Assignee to file for copyright protection in its own name.

If at any time the Assignee deems it necessary or appropriate, the Employee shall execute any and all documents and shall provide such assistance (including testifying in court or other judicial or administrative proceeding) as the Assignee believes is necessary to evidence or register the assignment of rights made by the Employee in this Agreement or the rights so assigned.
