ASSIGNMENT OF PATENT APPLICATION NUNC PRO TUNC

This Assignment of Patent Application, nunc pro tunc effective December 16, 2010, is from Berner Fachhochschule Fur Technik Und Informatik, having a place of business at Quellgasse 21, Biel, Switzerland, CH-2501 ("Assignors"), to Bozzio AG, a corporation of Switzerland, having a place of business at Höheweg 78A, Biel, Switzerland, CH-2502, ("Assignee").

WHEREAS, new and useful improvements have been made by the Assignors in

VEHICLE ADAPTED FOR DISABLED PEOPLE

and are the subject of a patent application prepared for filing in the United States Patent and Trademark Office, which application is further identified by U.S. Patent Application Serial No. 12/789,500 filed on May 28, 2010.

NOW, THEREFORE, be it known that, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, nunc pro tunc effective December 16, 2010, all right, title, and interest, in the United States and throughout the world, in, to and under said improvements and inventions and all patents, patent applications, patent rights, priority rights, and inventor's certificates thereof, therefor, and therein, including without limitation said application for patent in the United States, all divisions and continuations thereof, all patents which may be granted thereon, all reissues and extensions thereof, all right to sue for past infringement thereunder, all patents which may be granted for said improvements and inventions by states or nations other than the United States, or by other authority, entity, or organization, and all applications therefor, have been and are hereby sold, assigned, transferred, and delivered unto assignee, its successors and assigns; and it is covenanted and agreed by the undersigned, and for executors, administrators, and legal representatives of the undersigned, that at assignee's request any and all applications, affidavits, assignments, and other instruments will be made, executed, and delivered as may be necessary, or desirable to secure for or vest in assignee, its successors or assigns, any improvement, inventions, right, title, interest, application, patent, patent right or other right or property covered by this assignment, and the United States Commissioner of Patents and Trademarks is hereby requested and authorized to issue any and all United States patents granted on any of said applications to assignee as owner of the entire right, title, and interest in, to, and under the same, and appropriately

empowered officials of foreign countries are hereby authorized to issue any letters patent granted on any of said applications to assignee as owner of the entire right, title and interest in, to, and under the same.

The undersigned hereby grants the firm of Pearne & Gordon LLP the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

IN WITNESS WHEREOF, this assignment has been executed below by the undersigned:
