ASSIGNMENT

In consideration for One Dollar, receipt of which is hereby acknowledged, and other good and valuable consideration, I, Donald S. Kuhnel, of Karnes County Texas, having a mailing address of 23520 N FM 81, Hobson Texas, 78117, do hereby sell, assign, transfer and set over to Pioneer H2O Technologies, Inc. (hereinafter "Pioneer") of Denver, Colorado, its successors, assigns, nominees, or other legal representatives, the entire right, title and interest in all countries including the priority rights derived from the hereinafter designated provisional and nonprovisional applications for Letters Patent by virtue of the International Convention for the Protection of Industrial Property for any and all member countries of the aforesaid International Convention, in and to the invention or inventions made by me for WATER PURIFICATION APPARATUS AND PROCESS FOR PURIFYING WATER, the provisional application for Letters Patent of the United States therefor filed on November 10, 2010 and allotted Serial No. 61/412,363, and the non-provisional application for Letters Patent of the United States therefor filed on November 15, 2010 and allotted Serial No. 12/946,412 (hereinafter collectively "the Patent Applications"), together with all rights, including the sole rights under the aforesaid International Convention to apply for and obtain Letters Patent for said invention or inventions in the United States and in all other countries of the world, including original, non-provisional, divisional, continuation, continuation-in-part, reissue, utility and design patents, patents of addition, confirmation patents, registration patents, petty patents, utility models, etc., and all other types of patents and the like, and all renewals and extensions of any of them, and the entire right, title and interest in and to all such Letters Patent, the applications therefor and the subject matter of all claims obtained in said Letters Patent, and authorize and request the Commissioner

of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue Letters Patent on applications as aforesaid to issue the said Letters Patent to Pioneer H2O Technologies, Inc., its successors, assigns, nominees or other legal representatives, as assignee of the entire interest, and covenant that I convey the entire interest herein assigned and that I have not executed and will not execute any agreement in conflict herewith.

I further covenant and agree that whenever requested by said Pioneer H2O Technologies, Inc., its successors, assigns, nominees or legal representatives, I will execute and deliver or cause to be executed and delivered such further patent applications, assignments, oaths, disclaimers and other documents, give or cause to be given such evidence and furnish or cause to be furnished such information within my knowledge or control, and do or cause to be done such other acts and furnish or cause to be furnished such other assistance, as it or any of them may deem necessary or desirable in connection with obtaining and/or maintaining any Letters Patent as aforesaid for said invention or inventions or Patent Applications, or in connection with any suit or controversy, including interference proceedings, relating to any of such Letters Patent or to any applications therefor or in order to vest or perfect in it or in any of them or to protect or enforce the right, title and interest herein assigned, or otherwise effectuate the premises, all without further consideration but at the expense of said Pioneer H2O Technologies, Inc., its successors, assigns, nominees or other legal representatives.
