AND, WHEREAS, DC Devices, Inc., a corporation of the State of Massachusetts,
having a place of business at 300 Brickstone Square, Suite 202, Andover, MA 01810,
hereinafter called the "Assignee," is desirous of acquiring the entire right, title, and
interest in and to said Applications and the inventions and improvements therein
disclosed,

NOW, THEREFORE, for good and valuable consideration paid to me by said
Assignee, the receipt of which is hereby acknowledged, we as the inventors, or I as one
of the Inventors, hereinafter the Assignor(s), do hereby assign, sell and transfer unto said
Assignee the full and exclusive right, title and interest in and to said Applications and the
inventions and improvements therein disclosed for the United States and all foreign
countries and any Letters Patent which may issue therefor in the United States and all
foreign countries, and all conversions, divisions, reissues, continuations, continuations-
in-part, renewals and/or extensions thereof. Such assignment also includes the right to
claim priority to the Application(s) under any law, rule, treaty, or convention. Such
assignment extends to the full ends of the terms of these Applications and patents as fully
and entirely as the same would have been held and enjoyed by me had this Assignment
not been made. Said full and exclusive right, title, and interest referred to above includes
all rights to all past, present and future claims for infringement of any patent resulting
from said Application including the right to grant licenses, to bring lawsuits, and to
recover damages for any past, present, and future infringement, whether known or
unknown, now existing or hereafter arising. I also give permission to attorneys from the
GTC Law Group LLP and Affiliates to fill in the above blanks for the application date
and number, or to insert "filed concurrently herewith" as applicable, since the application
number and filing date may not be known at the date of today's signing.

We as the Inventors, or I as one of the inventors, covenant that I/we am/are the lawful owner(s) of said Applications, inventions and improvements, that the same are unencumbered, that no license has been granted to make, use or vend the said inventions or improvements or any of them, and that I have the full right to make this Assignment.

And for the consideration aforesaid, I agree individually and, if applicable, jointly that I will communicate to said Assignee or the representatives thereof any facts known to me respecting said inventions and improvements, and will, upon request but without expense to me, testify in any legal proceedings, sign all lawful papers, execute all conversion, divisional, reissue, continuation, continuation-in-part, renewal and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts deemed necessary or expedient by said Assignee or by counsel for said Assignee to assist or enable said Assignee to obtain and enforce full benefits from the rights and interests herein assigned. This Assignment shall be binding upon my heirs, executors, administrators and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors and/or assigns, as the case may be, of said Assignee.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.
