ASSIGNMENT

WHEREAS, Andreas H. Zisch of Zurich, Switzerland, now deceased, has made certain inventions which are described in U.S. Patent Application No. 12/845,949 and International Patent Application No. PCT/US2010/043679, which were filed on July 29, 2010, entitled SEALANTS FOR FETAL MEMBRANE REPAIR, and which claim benefit from provisional patent applications Serial No. 61/230,020, filed on July 30, 2009, and Serial No. 61/231,108, filed on August 4, 2009.

NOW, THEREFORE, for good and valuable consideration, receipt whereof is hereby acknowledged, I hereby sell, assign, and transfer unto **The University of Zurich**, a Swiss university having a place of business at Rämistrasse 71 CH-8006 Zürich (hereinafter called **University**), Andreas H. Zisch's entire interest in said inventions throughout the United States of America and the territories thereof and for all foreign countries, effective retroactively from the date of making said inventions. I also hereby assign to said **University** the entire right, title and interest throughout the United States of America and the territories thereof and for all foreign countries, in and to the aforesaid applications, and all other applications hereafter filed in the United States and any other country based in whole or in part on said inventions, and all Letters Patent granted upon said application by the United States and any other country. I further grant to said **University**, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries.

I hereby warrant that I have the full right to make the conveyance herein.
