ASSIGNMENT

WHEREAS, we, **David A. Levine, Anita Simpson, and James C. Bedingfield, Sr.** have invented certain improvements in a **Method For Using AIN To Deliver Caller ID To Text/Alpha-Numeric Pagers As Well As Other Wireless Devices, For Calls Delivered To Landline Networks**, for which a provisional application for a United States Patent was filed with the U.S. Patent and Trademark Office on August 14, 2001 and assigned U.S. Patent Application Serial No. 60/312,281;

WHEREAS, **BellSouth Intellectual Property Corporation**, a corporation of the State of Delaware, U.S.A., having its principal place of business at 824 Market Street, Suite 901, Wilmington, Delaware 19801, desires to establish its ownership of all rights relating to this invention and patent application;

NOW, THEREFORE, in consideration of the sum of Five Dollars (\$5.00) and other good and valuable consideration paid by said **BellSouth Intellectual Property Corporation**, the receipt and sufficiency of which are hereby acknowledged, we have sold, assigned, transferred and conveyed and by these presents do hereby sell, assign, transfer and convey unto **BellSouth Intellectual Property Corporation**, in and for the United States and its territories and for foreign countries, the entire right, title and interest in said U.S. Provisional Application, and to the invention therein set forth, and in and to any patent which may issue thereon, or claiming priority thereto, including any reissue, renewal, division, or continuation, in whole, or in part thereof, and I hereby bind myself, my heirs, legal representatives, administrators and assigns properly to execute without further consideration, any and all applications, petitions, oaths and assignments or other papers and instruments which may be necessary in order to carry into full force and effect the sale, assignment, transfer and conveyance hereby made or intended to be made.

ASSIGNOR further acknowledges that all work relating to the invention including, but not limited to, works of authorship, works in any tangible medium, writings, documents, manuals, computer programs, software (including the contents of read-only memories), web pages, and all works related in any way to the invention, authored, made, developed, created, produced, or contributed to, in whole or in part by ASSIGNOR, or associated in any way thereto, are "Work(s) for Hire" for ASSIGNEE, pursuant to sections 101 and 201 of the United States Copyright Law, Title 17 of the United States Code. If any work relating to the invention authored, made, produced, developed, created, produced, or contributed to by ASSIGNOR is not considered a Work for Hire for ASSIGNEE, ASSIGNOR hereby agrees to assign, and does so assign, all right, title and interest in any such work to ASSIGNEE, and agrees that all right, title, and interest therein, including any
