ASSIGNMENT

WHEREAS I, the below named inventor, hereinafter referred to as Assignor, have made an invention entitled:

FERRIC CITRATE DOSAGE FORMS

for which I filed United States Provisional Patent Application No. 61/227,124 on July 21, 2009 (the "Provisional Application"), and PCT Patent Application No. PCT/US2010/042788 on July 21, 2010, further identified as Attorney Docket No. P217096.WO.01 (the "PCT Application"); and

WHEREAS, **Keryx Biopharmaceuticals, Inc.**, a corporation of Delaware, whose post office address is 750 Lexington Avenue, 20th Floor, New York, NY 10022 (the "Assignee") is desirous of securing Assignors' entire right, title, and interest in and to this invention, the Provisional Application, the PCT Application, the Patent Rights (defined below), and in, to, and under any and all Letters Patent relating thereto;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, I, as Assignor, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my entire right, title, and interest in and to this invention; the Provisional Application; the PCT Application; any and all non-provisional applications, divisions, and continuations thereof; any and all Letters Patent of the United States which may be granted thereon; any and all international, foreign regional and convention applications corresponding thereto in all countries and regions which may grant or have granted thereto or be lodged in relation thereto; any and all foreign Letters Patent which may be granted thereon; any and all reissues thereof; all rights to claim priority on the basis of the Provisional Application and/or on the basis of the PCT Application; all applications for Letters Patent which may hereafter be filed for this invention in the United States and any foreign country and all Letters Patent which may be granted on this invention in the United States and any foreign country; all extensions, reexaminations, renewals, reissues, or substitutes thereof; any and all priority rights or priority claims; any and all International Convention rights; any and all rights to collect past and future damages for infringement of any and all Letters Patent of the United States and countries and regions foreign thereto which may be published, which may grant, or have granted thereto or be lodged in relation thereto; and any and all other benefits accruing to or to accrue to Assignors with respect to the filing of the applications for patents or securing the patents in the United States and countries foreign thereto (collectively, the "Patent Rights"); and I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country on said Patent Rights whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns;

AND, I HEREBY covenant that I have the full right, title, and authority, to convey any and all right, title, and interest in the Patent Rights assigned by this Assignment and that I have not executed and will not execute any agreement in conflict with this Assignment;

AND, I HEREBY further covenant and agree that I will, without further consideration, communicate to and with Assignee, its successors and assigns, any facts known to me respecting this invention, the Provisional Application, the PCT Application and the Patent Rights, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention, the Provisional Application, the PCT Application and the Patent Rights in said Assignee, its successors or assigns, execute all provisional, non-provisional, divisional, continuation, continuing prosecutions, renewal, reissue, reexamined or extended applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States or of any and all foreign countries, on said Patent Rights, and execute confirmatory assignments or acknowledgments of this assignment as necessary for full enjoyment of the Patent Rights and for

recording in foreign patent offices, and in enforcing any rights or choses in action accruing as a result of such Patent Rights, by giving testimony in any proceedings or transactions involving such Patent Rights, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of both parties, and it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

AND I HEREBY authorize Assignee, its successors, and assigns, or anyone it may properly designate, to apply for Letters Patent in the United States and any and all foreign countries and regions in its own name if desired, and additionally to claim priority to the filing date of the Provisional Application and PCT Application and otherwise take advantage of the provisions of any international conventions.

IN TESTIMONY WHEREOF, I have hereunto executed this Assignment and the same shall be effective as of the date set forth below.
