ASSIGNMENT OF PATENT APPLICATION

We, the undersigned, individually and collectively, for good and valuable consideration, receipt of which is hereby expressly acknowledged, do assign and transfer to

CamMate Systems, Inc.

an Arizona corporation as Assignee, and its successors, assigns and legal representatives, the entire right, title and interest, worldwide in and to the inventions or improvements set forth in U.S. patent application no. 13/070,666 entitled Systems and Methods for Positioning a Camera Crane filed March 24, 2011 having Cronin as its first named inventor, including the rights to file and obtain United States and corresponding foreign patents in any country, inventor's certificates and utility models, and all divisions, reissues, substitutions and continuations thereof. We request that any and all patents be issued to the Assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

When requested, we will, without charge to the Assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for the inventions or improvements in any and all countries and for vesting title thereto in the Assignee, its successors, assigns and legal representatives or nominees.

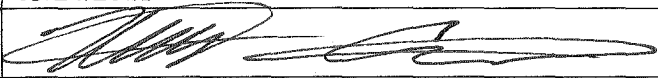

We authorize and empower the Assignee, its successors, assigns and legal representatives or nominees, to seek the benefit of the right of priority for the inventions or improvements available under any and all applicable laws, treaties or conventions in force now and in the future, and to invoke and claim such right of priority without further written or oral authorization from us.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file, or like document which may be required in any country for any purpose and more particularly in proof of the right of the Assignee or nominee to claim the aforesaid benefit of the right of priority.

We covenant with the Assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that we have full right to convey the same as herein expressed.

IN WITNESS WHEREOF, we have hereunto signed our names on the day and year set forth below.
