PATENT ASSIGNMENT

This Patent Assignment is made by the herein-identified Inventors/Assignors to the herein-identified Assignee as of the date entered below and subscribed to by the Inventors/Assignors of the below-identified Patent Application.

WHEREAS, **Maurice A. Paperi**, an individual, having an address of 16972 Lacivita Court, Macomb, Michigan 48044 (herein, "Assignor"), is owner of a certain invention described in the United States Letters Patent titled as:

METHOD FOR REFURBISHING LAMP SURFACES

U.S. Patent No. 7,297,364

Issued: November 20, 2007

(hereinafter, the "Invention"); and

WHEREAS, **CLEARLAMP, LLC**, having a business address of 13924 Mackey, Overland Park, Kansas 66223 (herein, "Assignee"), desires to acquire all of the, Assignors' right, title, and interest in and to the Invention identified herein.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. ASSIGNMENT. Assignors hereby sell, assign, transfer, and convey unto Assignee, its successors and assigns, all of Assignors' right, title, and interest in and to the Invention, the patent, and any related patent application filed thereon, any continuation, division, continuation-in-part, reissue or reexamination applications and any patents, U.S. or foreign, that may issue therefrom, the same to be held and enjoyed by Assignee for its own use and benefit and for the use and benefit of its successors and assigns, to the full end of the term of any patent that may issue therefrom, as fully and entirely as same would have been held by Assignors had this assignment not been made.

2. RIGHTS INCLUDED. The transfer and assignment, as described above, shall also include the right to sue for past infringements (whether known or unknown) of the Invention, the patent, and any related patent applications and of any patents that may issue therefrom, and to hold for Assignee's own use all recoveries had in such suits, without need for accounting to Assignors, In any such litigation, Assignors shall provide reasonable cooperation at Assignee's expense.

3. REPRESENTATIONS. Assignors represent and warrant that Assignors have the sole and exclusive ownership interest in and title to the Invention of the patent application; that Assignors have not granted to any third party any rights that would

conflict, in any material way, with the rights granted herein to Assignee; that, to the knowledge of Assignors, the Invention is not being infringed by any third party, except as previously disclosed and that Assignors have the full right, power, and authority to make this assignment.

4. COMMUNICATIONS. Assignors hereby authorize Assignee, with respect to the Invention, the patent, and any related patent applications and any patent(s) that may issue therefrom, to communicate with the United States Patent and Trademark Office with the same effect as though such communications were made by or with Assignors directly.

5. FURTHER ASSURANCES, Assignors agree to execute and deliver to Assignee and to perform such tasks as Assignee may reasonably require in order to vest in Assignee full and complete record title to the Invention, the patent, and any related patent applications and any patent(s) that may issue therefrom. Assignors hereby appoint Assignee as their attorney in fact to execute and deliver such instruments as Assignee may deem appropriate to vest complete title of whatever interest the Assignors may possess in the Invention and in the patent application and in any patent(s) that may issue therefrom in Assignee. This appointment shall be deemed to be a power coupled with an interest, and as such, it is irrevocable.

IN WITNESS WHEREOF, said Assignor has executed this Assignment as of this 8 day of April 2011.
