have made an invention entitled:

SYSTEMS AND METHODS FOR SECURING DATA IN MOTION
and have made application for United States

Letters Patent therefor, the same having been filed in the
United States Patent and Trademark Office on November 24,
2010 as United States Patent Application No. 12/953,877; and

WHEREAS, SECURITY FIRST CORP., a corporation
organized and existing under the laws of the State of
Delaware and having an office and place of business at 22362
Gilberto #130, Rancho Santa Margarita, California 92688, is
desirous of acquiring the entire interest in said invention,
said United States patent application and in any Letters
Patent which may issue thereon;

NOW, THEREFORE, be it known that for and in
consideration of the sum of One Dollar (\$1.00) paid to each
of us, and other good and valuable consideration, the

receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign and transfer unto the said SECURITY FIRST CORP., its successors, assigns and legal representatives, all right, title and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said United States patent application, including any continuations and divisions thereof, and any substitute applications therefor, and any patents which may issue thereon, and any reissues of the same, and including the right to claim priority under the International Convention based on said patent application; and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same; and we hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said SECURITY FIRST CORP., as the assignee of the entire interest therein; and we further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, we have hereunto signed our names and affixed our seals on the dates indicated hereinafter.
