ASSIGNMENT

To Whom It May Concern:

For valuable consideration, including salary and employee benefits, be it known that we, Michael L. Clark of 872 Borden Road, San Marcos, California 92069, and Zachary B. Simmons of 9373 Aldabra Court, San Diego, California 92129, have sold, assigned and transferred and by those presents do sell, assign, transfer and set over unto Hunter Industries, Inc., a Delaware corporation, with an office at 1940 Diamond Street, San Marcos, CA 92078 United States, its successors, legal representatives, or assigns, our whole right, title and interest in and to a certain invention relating to Irrigation Sprinkler with Ratcheting Manual Nozzle Rotation devised by us and the application for United States Patent therefor executed by us and filed in the United States Patent and Trademark Office on April 29, 2011, Serial No. 13/098,242, and all original and reissue patents granted thereof, and all divisions and continuations thereof, including the subject matter of any and all claims which may be obtained in every such patent, and all foreign rights to said invention, including the right of priority, and covenant that we have full right to do so, and agree that we will communicate to said corporation or its representatives all facts known to us respecting said invention, whenever requested, and testify in any legal proceedings, sign all lawful papers, make all rightful oaths and generally do everything possible to aid said corporation, its successors, assigns, and nominees, to obtain and enforce proper patent protection for said invention in all countries.

The Commissioner of Patents and Trademarks is requested to issue the Letters Patent which may be granted for said invention or any part thereof unto the said corporation in keeping with this Assignment.
