ASSIGNMENT AND AGREEMENT

For value received, I, **Matias Troccoli** of 4323 Lake Washington Blvd. NE, Apt. 5105, Kirkland, WA 98033, hereby sell, assign and transfer to **Next Biometrics AS**, with its principal place of business located at Høgda 41, N-1397 Nesøya, Norway, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **NON-BINARY DECODER ARCHITECTURE AND CONTROL SIGNAL LOGIC FOR REDUCED CIRCUIT COMPLEXITY** described in Application Serial PCT/US2009/063202, filed November 4, 2009, and any priority application thereto, and all the rights and privileges in said application and under any and all Letters Patent that issue from said application in the United States and any divisions, continuations, continuations-in-part, reexamination certificates, reissues, and extensions thereof, or claiming priority therefrom, that have been or may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to **Next Biometrics AS** the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the applications aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize **Next Biometrics AS** to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of **Next Biometrics AS** to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to **Next Biometrics AS** in the United States and in all countries foreign to the United States, or to such nominees as **Next Biometrics AS** may designate.

Docket No. : E8240-00019

I agree that, when requested, I shall, without charge to **Next Biometrics AS** but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
