ASSIGNMENT

WHEREAS, Aaron U. Jones Revocable Trust UTD 1/3/03 (hereinafter also referred to as "Assignor") of P.O. Box 851, Eugene, Oregon 97440-0851 US is the record owner of an interest in and to patents and patent applications, including those described on Exhibit A attached hereto and by this reference incorporated herein:

Whereas Seneca Sawmill Company, (hereinafter "Assignee"), a corporation organized under the laws of the State of Oregon, U.S., of P.O. Box 851, Eugene, Oregon 97440-0851 US desires to formally document its ownership in and to the patents and patent applications described above;

For good and valuable consideration, the receipt and sufficiency of which are acknowledged, Assignor hereby assigns and transfers to Assignee, its entire right, title and interest in and to said patents and applications, including any division, continuation, substitute, renewal or reissue thereof, together with all claims for damages by reason of past infringement of said patents and applications, with the right to sue for, and collect the same for their own use and enjoyment.

Assignor hereby agrees to communicate to Assignee any facts known to it relating to said improvements, to testify as to the same in any interference or legal proceeding concerned therewith, to execute promptly and deliver to Assignee upon request any and all papers, instruments, declarations and affidavits required to apply for, obtain, maintain and enforce said patents and applications, and generally to do everything necessary or desirable to vest and perfect title thereto in Assignee.

This assignment is binding upon Assignor, their successors, legal representatives and assigns, and shall inure to the benefit of Assignee, its successors, assigns and nominees.

The Canadian Intellectual Property Office and U.S. Commissioner of Patents are hereby authorized and requested to recognize Assignee, their successors, legal representatives and assigns, as the Assignee of the entire right, title and interest therein, in accordance with the terms of this Assignment.

In testimony whereof, the Assignor hereto has executed this Assignment on this 7th day of June, 2006.
