INTELLECTUAL PROPERTY
ASSIGNMENT AGREEMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT ("**Agreement**") is made and entered into this 10th day of February, 2011 by and between the undersigned parties designated individually as an "**Assignor**" and collectively as "**Assignors**," on the one hand, and NONLINEAR ION DYNAMICS, LLC, a California limited liability company ("**Assignee**" or "**NID**"), on the other hand.

RECITALS

A. Pong Research Corporation, a Delaware corporation ("**Pong**"), and NID are parties to that certain Intellectual Property Assignment Agreement, dated as of January 27, 2011 (the "**Pong Assignment**"), whereby NID assigned to Pong on a worldwide basis (1) all right, title, and interest in, (2) all intellectual property rights, moral rights, contractual rights, and any other legal rights related to, and (3) all intellectual property rights owned by NID that are embodied in, the technology, patents and intellectual property rights identified on **Exhibit A** attached to this Agreement (altogether constituting the "**Assigned Intellectual Property**").

B. Assignors acknowledge and agree that they have assigned, or have pre-existing obligations to assign, on a worldwide basis their respective (1) rights, title, and interest in, (2) intellectual property rights, moral rights, contractual rights, and any other legal rights related to, and (3) intellectual property rights embodied in the Assigned Intellectual Property.

C. Assignors desire to confirm the foregoing assignments or perform the aforesaid obligations with respect to the Assigned Intellectual Property, subject to the terms and conditions set forth in this Agreement.

AGREEMENT

NOW THEREFORE, in consideration for the mutual covenants set forth below, the Parties hereby agree as follows:

1. **Assignment.** Each Assignor hereby irrevocably assigns, sells, transfers and conveys to Assignee all of its respective right, title and interest, on a worldwide basis, in and to the Assigned Intellectual Property. Each Assignor acknowledges that it will have no further rights in any Assigned Intellectual Property, nor any rights to use any such Assigned Intellectual Property in any matter or for any purpose.

2. **Further Assurances.** Each Assignor hereby acknowledges that Assignor retains no right to use its respective Assigned Intellectual Property and agrees not to challenge the validity of Assignee's ownership of the Assigned Intellectual Property or undertake any actions inconsistent with Assignee's ownership thereof. Upon reasonable request by Assignee, each Assignor agrees promptly to execute documents and take other acts as Assignee may deem reasonably necessary to procure, maintain, perfect, evidence and enforce the full benefits, enjoyment, rights, title and interest, on a worldwide basis, of the Assigned Intellectual Property and all rights assigned under this Agreement, including executing patent assignments related to the Assigned Intellectual Property in favor of Assignee or its assignee or designee.

3. **Delivery.** Each Assignor further agrees to deliver to Assignee upon execution of this Agreement any and all tangible manifestations of the Assigned Intellectual Property, including, without limitation, all notes, records, files and tangible items of any sort in its possession or under its control relating to the Assigned Intellectual Property.

4. **Warranties.** Each Assignor represents and warrants that:

a. if Assignor is a corporate person, it is duly organized, validly existing, and in good standing under the laws of state of its organization;

b. it has the full power and authority to enter into and perform according to the terms of this Agreement; and

c. it has not previously granted or any rights in the Assigned Intellectual Property to any third party that are inconsistent with the rights conveyed to Assignee herein.

5. **Entire Agreement.** This Agreement and *Exhibit A* attached to this Agreement constitute the entire, complete, final and exclusive understanding and agreement of the parties with respect to the subject matter set forth above, and supersedes any other prior or contemporaneous oral understanding or agreement and any other prior written agreement on such subject matter. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, will be effective unless in writing and signed by authorized representatives of both parties. Failure by either party to exercise any of its rights under this Agreement will not constitute or be deemed a waiver or forfeiture of such rights.

6. **Governing Law.** This Agreement will be governed and construed in accordance with the laws of the State of Delaware.

7. **Severability.** If any provision of this Agreement is found invalid or unenforceable, in whole or in part, the remaining provisions and partially enforceable provisions will, nevertheless, be binding and enforceable.

8. **Applicability.** The provisions of this Agreement will inure to the benefit of, and be binding upon, the successors, assigns, heirs, executors and administrators of the parties to this Agreement.
