ASSIGNMENT

UNIVERSAL

WHEREAS Victhom Human Bionics Inc., having its head office at 4780, rue Saint-Félix, Suite 105, Saint-Augustin-de-Desmaures, Québec, province of Québec G3A 2J9, (hereinafter referred to as the "Assignor") is the owner of the entire rights, titles and interests in and to the inventions which are the object of the patents and patent applications listed in Schedule A (hereinafter referred to as the "Patents and Patent Applications");

WHEREAS Neurostream Technologies General Partnership, having its head office at 4780, rue Saint-Félix, Suite 105, Saint-Augustin-de-Desmaures, Québec, province of Québec G3A 2J9 (hereinafter referred to as the "Assignee") has acquired the entire rights, title and interest in and to the Patents and Patent Applications from the Assignor pursuant to a General Partnership Agreement dated April 29, 2009 between the Assignor and the Assignee;

WHEREAS the parties wish to confirm the aforementioned assignment;

NOW, THEREFORE, the Assignor declares as follows:

The Assignor, in consideration of the sum of One Dollar (\$1,00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby confirm that it has assigned and transferred to the Assignee forever, all of its rights, titles and interests in and to the Patents and Patent Applications including without limitation the right to claim, any and all of the benefit(s) of the International Convention relating to priority associated with the said Patents and Patent Applications and all corresponding rights, titles and interests in and to any and all patents, registrations and the like which may issue therefor anywhere in the world including, without limitation, in the United States and Canada, including any rights, titles and interest in any reissues and extensions thereof to be obtained in any country and any divisional, continuation, continuation-in-part, substitute application(s) or supplementary disclosure(s) which may be filed in any country and which pertains to the said Patents and Patent Applications.

The Assignor further agrees without any further payment by said Assignee other than reasonable expenses incurred by the undersigned, to communicate to said Assignee, its representatives or agents, any facts relating to said the Patents and Patent Applications or any other applications relating thereto, including evidence for interference purposes or for other proceedings, whenever requested; testify in any interference, litigation or other proceedings, whenever requested; and execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective.

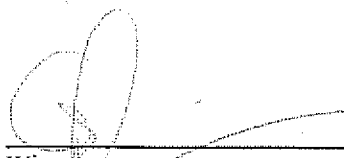

The Assignor hereby authorize the firm of BCF LLP to correct errors in this assignment or to insert any further identification or other information necessary or desirable to make this assignment suitable for recordal.

The present assignment shall enure to the benefit of and be binding upon the parties hereto and their respective successors, assigns, heirs, executors and administrators.

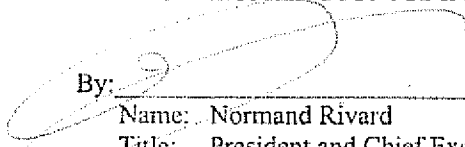

Les soussignés désirent que la présente cession soit rédigée en anglais. The undersigned request that the present assignment be in English.
