ATTACHMENT B
PATENT ASSIGNMENT

WHEREAS HONEYWELL INTERNATIONAL INC., a corporation organized under the laws of the State of Delaware (hereinafter called the "Assignor"), whose address is 101 Columbia Road, Morristown, New Jersey 07962, United States of America, has assigned to Edge Idea, LLC, a corporation organized under the laws of the State of Virginia (hereinafter called the "Assignee"), whose address is 1919 Gallows Road, Suite 330, Vienna, VA 22182, United States of America, all rights in and to the patents listed in Exhibit A below, together with all rights in and to the inventions and/or improvements described and claimed in said patent, subject to the limitations set forth below;

AND WHEREAS, it is desired, by this instrument, to confirm the assignment aforesaid, for recordal in such patent offices as may be expedient;

NOW THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor hereby confirms that it has and does hereby sell, assign, transfer and set over to the Assignee the entire right, title and interest in and to the said inventions, improvements, and patent, together with any and all continuations, divisions, renewals, reissues or substitutes for said patent, subject to the limitations set forth below; to the full end of the term or terms for which said Letters Patent respectively have been or may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this assignment, sale and transfer not been made, such transfer being subject to a license granted by Assignor and acknowledged by Assignee and a license retained by Assignor;

AND the Assignor hereby covenants that it has full right to convey the entire interest herein assigned; that it has not executed and will not execute any agreement in conflict herewith; that it will, each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, and/or said patents, in the Assignee, its successors, assigns, nominees or legal representatives; that it will communicate to the Assignee, or its nominees, all known facts respecting said inventions or improvements, and said patents, testify in any legal proceedings, sign all lawful papers, execute all disclaimers and divisional, continuing, reissue and foreign applications, make full rightful oaths, and generally to do everything possible to aid the Assignee, its successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit, proper patent protection for said inventions or improvements in any and all countries, all at the expense, however, of the Assignee or its successors, assigns, nominees or legal representatives;

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and any official of any country or countries foreign to the United States of America whose duty it is to issue patents on applications as aforesaid, to issue to the Assignee, as assignee of the right, title and interest set forth above, any and all

Letters Patent for said inventions or improvements, which may be issued and granted on or as a result of any application aforesaid, in accordance with the terms of this Assignment.

EXECUTED at Phoenix, Arizona, United States of America this 28th day of April, 2011.
