### ASSIGNMENT

This ASSIGNMENT (the "Assignment") is made and entered into by and among Lee ROSEN, Ed ROE and Wade POUST (each an "Assignor") and Dictaphone Corporation, a corporation organized under the laws of the State of Delaware, located and doing business at 3191 Broadbridge Avenue, Stratford, Connecticut 06614 (the "Assignee").

WHEREAS each Assignor desires to assign to Assignee its entire right, title and interest in and to the Invention (as defined below), and Assignee desires to accept such right, title, and interest.

NOW THEREFORE, in consideration of One Dollar (\$1.00) and of other good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, the parties agree as follows:

1. Invention Defined. As used in this Assignment "Invention" shall mean that certain application for Letters Patent of the United States filed on February 28, 2003 as Application Serial No. 10/375,045 and entitled "**A System And Method For Structuring Speech Recognized Text Into A Pre-Selected Document Format,**" all inventions disclosed or claimed therein, any continuation, division, renewal, extension, substitute, reexamination, reissue thereof, all treaty and convention rights and all rights of priority arising from the aforesaid applications, all United States, international and foreign patent applications claiming priority therefrom, all United States, international and foreign patents, utility models, invention registrations or any other form of legal protection issuing thereon, and all rights to sue for past, present, or future infringement.

2. Assignment. Each Assignor hereby sells, assigns and transfers to Assignee its entire right, title, and interest in and to the Invention.

3. Further Assurances. Each Assignor hereby covenants that such Assignor shall, at the cost and expense of Assignee, take all actions and execute all documents necessary or desirable to perfect the interest of Assignee in and to the Invention, and do all lawful acts requisite for enforcing rights thereunder, and shall not enter into any agreement in conflict with this Assignment. Each Assignor hereby covenants to communicate to Assignee any facts known concerning the Invention.

4. Acknowledgement. Each Assignor acknowledges that Assignee shall have the right to make application for and to receive Letters Patent for the Invention in any country throughout the world, and to receive Letters Patent in its name covering the Invention.

5. Representations and Warranties. Each Assignor represents and warrants that it (i) has full power and authority to enter into this Assignment, (ii) this Assignment has been duly authorized, executed and delivered by such Assignor and constitutes the legal, valid and binding obligation of such Assignor, enforceable against it in accordance with its terms hereof, (iii) has not previously assigned any right or interest in the Invention to any third party, (iv) is under no obligation to assign any right or interest in the Invention to any third party, and (v) entry into this Assignment does not breach any agreement between such Assignor and any third party.

6. Successors. This Assignment shall be binding upon and inure to the benefit of the parties thereto and to their respective successors and assigns.

7. Counterparts. This Assignment may be executed in two or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument.

8. Choice of law. This Assignment shall be governed by, and construed in accordance with, the internal law of the State of Connecticut, without reference to its choice of law principles.

IN WITNESS WHEREOF, each Assignor has caused this Assignment to be executed as of the date written below.
