ASSIGNMENT

In consideration of the payment of one dollar (\$1.00), and for other good and valuable consideration, the receipt of which is hereby acknowledged, Mark S. Paley ("Assignor") assigns to AZ Technology, Inc. of Huntsville, Alabama ("Assignee"), his entire right, title, and interest in and to an invention entitled "Ionic Liquid Epoxy Resin Monomers" ("Invention"), which is being filed as a Divisional Application of U.S. 12/168,085, filed 07/07/2008, and in any and all patents, reissue patents, certificates of inventorship, design registrations, utility models, and the like, that may be granted in the U.S. or in any other country with respect to the Invention and improvements thereto, and in any application, including continuations, continuations-in-part, or divisionals, that may be filed with respect to the Invention or improvements thereto.

Assignor grants to Assignee the right to add the following information regarding a U.S. patent application to be filed so that this assignment may be recorded in the United States Patent and Trademark Office:

Title of the Application, Application Serial Number, and Filing Date

Assignor will, without additional charge to Assignee but at Assignee's expense, cooperate with and assist Assignee such that Assignee may realize and fully enjoy all the rights assigned hereunder, including the preparation and execution of all papers needed by Assignee, and providing such information and assistance as may be reasonably required by Assignee in any administrative or legal proceeding to obtain or protect such rights.

Assignor represents and warrants that he has not publicly used or disclosed the Invention, and that he has not previously sold or offered to sell the Invention.

Assignor represents and warrants that he has not transferred, licensed, and/or assigned any interest in the Invention to anyone other than Assignee, and that he has not entered into any contract, assignment, or license conveying any right granted to Assignee hereunder, or that would otherwise conflict with this Assignment.

This Assignment and each of its terms shall be binding on the Assignor, his representatives, heirs and assigns, and shall inure to the benefit of Assignee, its successors, and assigns.
