PATENT AND INVENTION ASSIGNMENT

WHEREAS, the undersigned:

Jonathan Duane King, a citizen of the United States of America, residing at

703 Poplar Street, Greenwood, Mississippi 38930,

(hereinafter referred to as "**Assignor**") has invented certain inventions and improvements disclosed in a non-provisional application for Letters Patent entitled **FILL PROTECTION ALGORITHM**, which application was filed in the United States Patent and Trademark Office on May 17, 2011, under Application No.13/109,321;

WHEREAS, it is agreed that **Viking Range Corporation**, a Corporation of the State of Mississippi, having its principal place of business at 111 Front Street, Greenwood, Mississippi 38930 is entitled to or is desirous of acquiring all right, title and interest related to the same;

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **Assignor**, by these presents, does sell, assign and transfer unto **Viking Range Corporation**, the full, exclusive and entire right, title and interest: (i) in and to all inventions and improvements disclosed and described in said application, (ii) in and to said application, (iii) in and to all divisional, continuation, and continuation-in-part applications describing in whole or in part the said inventions and improvements, preparatory to obtaining Patents of the United States therefor, (iv) in and to all patents of the United States which may be granted on the foregoing and all reissues and extensions thereof, (v) in and to any provisional patent applications filed in the United States describing in whole or in part the said inventions and improvements, from which priority has been or may be claimed under Title 35 of the United States Code, and (vi) in and to the right to claim any applicable foreign and domestic priority rights arising from any of the afore-mentioned patent applications; and Assignor does hereby request the Commissioner of Patents to issue any and all Patents of the United States resulting from said application, or from a division, continuation, continuation-in-part, or reissue thereof, to **Viking Range Corporation** as Assignee, for its interest and for the sole use and behoof of **Viking Range Corporation** and its assigns and legal representatives;

For the same consideration, **Assignor**, by these presents does sell, assign and transfer to **Viking Range Corporation** the full, exclusive and entire right, title and interest: in and to any and all applications for industrial property protection, including without limitation, all applications for patents, utility models, inventors' certificates and designs, (the "Foreign Applications") filed or which are hereafter filed in countries foreign to the United States and describing in whole or in part

the said inventions and improvements, in and to any Patents and similar protective rights granted on said Foreign Applications, and in and to the right to file such applications and the right to claim any applicable priority rights arising from or required for said Foreign Applications under the terms of any applicable conventions, treaties, statutes, or regulations; said Foreign Applications to be filed and issued in the name of **Viking Range Corporation** or its respective designees, insofar as permitted by applicable law;

AND, for the same consideration, **Assignor** agrees to communicate to the said **Viking Range Corporation**, its successors, legal representatives and assigns, any facts known to **Assignor** respecting said invention, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **Viking Range Corporation**, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world; and

Assignor covenants with Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned.
