**WHEREAS, Thomas T. Haider Patents, LLC**, a Limited Liability Corporation organized under the laws of Nevada, having a principal place of business at 2357 Knob Hill Drive, Riverside, California 92506, is desirous of obtaining the entire right, title and interest in and to said Patent Applications from **Thomas Haider Patents, LLC** and is desirous of making of record in the United States Patent Office its complete ownership interest;

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, **Thomas Haider Patents, LLC** hereby sells, assigns, conveys, transfers, and sets over, unto said **Thomas T. Haider Patents, LLC**, its successors, legal representatives, and assigns, the entire right, title, and interest in and to said Patent Applications set forth herein and all divisions, continuations, continuations-in-part, renewals, and applications in the United States and all countries foreign thereto claiming priority to any of the aforesaid; and all Letters Patent of the United States and all countries foreign thereto which may be granted thereon, and all reissues and extensions thereof; and all priority rights, convention rights, and other benefits accruing or to accrue with respect to the filing of applications for patents or the securing of patents in the United States and countries foreign thereto; and any and all rights to recover damages for past infringement of any and all of the aforesaid (all of the aforesaid the "Intellectual Property").

**AND THE PARTIES FURTHER AGREE** to sign and execute all necessary and lawful future documents, including additional applications related to the Intellectual Property, and/or any applications for reissue or reexamination of any Letters Patent which may be granted for said Intellectual Property, which SeaSpine may from time to time require and prepare at the SeaSpine's expense.

**AND THE ASSIGNOR HEREBY AUTHORIZES AND REQUESTS** the United States Patent and Trademark Office, and any offices of foreign countries whose duty it is to issue patents, to issue any Letters Patent granted upon any applications within the Intellectual Property to SeaSpine, its successors, legal representatives, and assigns, in accordance with the terms of this instrument.

**AND WHEREIN ASSIGNOR HEREBY COVENANTS** that it has the full right to convey the interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.
