WHEREAS, Danco, Inc., a Texas corporation having its principal place of business located at 2727 Chemsearch Blvd, Irving, TX 75062 (hereinafter "Licensee"), has acquired a limited license which exclusively licenses to Licensee the rights to use and exploit said inventions and improvements, as detailed in the "Exclusive License Agreement" dated May 19, 2009 (the "License");

AND WHEREAS, it is the intention of all parties to transfer the entire right, title and interest in and to said inventions, improvements and Letters Patent, and any interest in related licenses, royalties, etc., from Theresa A. Houck to TcH Ventures, LLC; furthermore, it is understood that this assignment has been discussed with the Licensee and it is the intent of all parties (including the Licensee) that this assignment shall have no effect upon the relationship and agreement described in the License other than that the Licensor as listed in the License will now be TcH Ventures, LLC, a Colorado limited liability company, Theresa A. AND, for the consideration aforesaid, I do hereby agree that I and my executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us relating to said invention and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors and assigns the entire right, title and interest in and to the said improvements, inventions, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be;

AND, furthermore I covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me, excepting the License granted to Licensee as described above, and that full right to convey the same as herein expressed is possessed by me;
