ASSIGNMENTASSIGNORS:

Pinky A. Bautista
Yukako Yagi

ASSIGNEE:

The General Hospital Corporation,
having a place of business at 55 Fruit Street, Boston, MA 02114

STATE OF INCORPORATION OF ASSIGNEE: Massachusetts

TITLE: COMPUTER-AIDED STAINING OF MULTISPECTRAL IMAGES

APPLICATION NO.: 13/093,122

FILING DATE: April 25, 2011

Assignor is a joint inventor of a certain new and useful invention (the "Invention") described in a United States patent application (the "Application") bearing the attorney docket number and title listed above. If a filing date and application number are shown, the Application has a Patent and Trademark Office filing date and application number as indicated above.

For valuable consideration, receipt of which is acknowledged, each Assignor hereby assigns to Assignee (which term shall include Assignee's successors and assigns), all of Assignor's right, title and interest in the Invention, all improvements therein, the Application and all priority rights arising therefrom, and any patents, and any reissues and extensions thereof, which issue in any country upon any patent applications which correspond with any of the following: the Application; any application that claims priority from the Application (including a divisional, continuation-in-whole or continuation-in-part, reissue, reexamination application, or an application claiming priority from a provisional application); or any application based in whole or in part on any of the foregoing.

Each Assignor hereby warrants that (s)he has the full right to make the conveyance herein. Each Assignor further agrees that such Assignor and Assignor's heirs and legal representatives will, without further consideration, cooperate with Assignee in the prosecution

of any of the above applications, to execute, verify, acknowledge and deliver all such further papers, including applications for patents and for reissues and extensions therefore, and instruments of assignment and transfer thereof, and will communicate any facts known to Assignor relating to the Invention, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignee. Each Assignor further agrees that such Assignor will, without further compensation to Assignor during the term of such Assignor's employment by Assignee and thereafter for reasonable compensation as determined by Assignee, perform such other acts as may be reasonably required when requested by Assignee, including attending depositions, preparing and executing declarations and affidavits and testifying as a witness, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignee.

IN WITNESS WHEREOF, each Assignor hereby executes this instrument on the date set forth below.
