## ASSIGNMENT

WHEREAS, we, Donald D. Foster of 42 Windcastle Place, St. Charles, MO 63304 and Philip L. Nelson of 1671 Whispering Hollow Court, Wildwood, MO 63038, have invented certain new and useful improvements for an *Ergonomic Design for a Trigger Sprayer* for which we executed an application for Letters Patent in the United States identifying us as the only inventors thereof said application being assigned application number 29/373,510 by the U.S. Patent and Trademark Office which was filed on April 18, 2011.

WHEREAS, Tangent Technology Team, LLC, a corporation of the State of Missouri having its principal office and place of business at 42 Windcastle Place, St. Charles, MO 63304, is desirous of acquiring the entire right, title and interest in and to said invention and improvements as disclosed in said application, in and to said application, and in and to the patent to be obtained thereon.

NOW THEREFORE, for goods and valuable consideration, the receipt and adequacy of all of which are hereby acknowledge, we, Donald D. Foster and Philip L. Nelson, do hereby assign and transfer unto said Tangent Technology Team LLC, its successors or assigns, the entire right, title and interest in and to said invention and improvements as the same are disclosed in said application which was executed by us in and to said application, and in and to any and all Letters Patent and applications filed therefor, including provisionals, non-provisionals, divisionals, continuations, reissues, reexaminations and extensions to be obtained therefor in the United States and all foreign countries; and we further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent as the assignee may desire to apply for, but at the expense of said assignee.

The Commissioner of Patents or other proper official is hereby authorized and requested to issue said Letters Patent to said Tangent Technology Team, LLC in accordance with this Assignment.

For said considerations, the undersigned hereby agree, upon the request and at the expense of said Assignee, to execute any provisional, non-provisional, divisional, continuation-in part or substitute application for said invention or improvements, and oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application(s), and, in the event of any application or Letters Patent assigned herein becoming involved in an interference, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. The undersigned agree to perform, upon request, any affirmative acts to obtain said Letters Patent of the United States and vest in said Assignee all rights therein, whereby said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

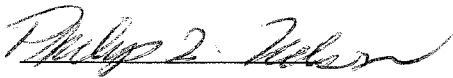

And for said consideration, the undersigned hereby assign to said Assignee the entire right, title and interest in said invention or improvements for all foreign countries, including all priority rights, and agree to execute, at the request of said Assignee, all documents in connection with any application for foreign Letters Patent therefor.

IN WITNESS WHEREOF, I have hereunto set my hand the 1st day of June, 2011.

Donald D. Foster

IN WITNESS WHEREOF, I have hereunto set my hand the 1st day of June, 2011.

## ASSIGNMENT

WHEREAS, we, Donald D. Foster of 42 Windcastle Place, St. Charles, MO 63304 and Philip L. Nelson of 1671 Whispering Hollow Court, Wildwood, MO 63038, have invented certain new and useful improvements for a *Pre-Compression Valve System in a Dispenser with a Locking Pre-Load, utilizing a Gasket Retention Design and a Tab Pre-Loaded Spring* for which we executed an application for a Provisional Patent in the United States identifying us as the only inventors thereof said application being assigned application number 61/471,308 by the U.S. Patent and Trademark Office which was filed on April 4, 2011; and

WHEREAS, Tangent Technology Team, LLC, a corporation of the State of Missouri having its principal office and place of business at 42 Windcastle Place, St. Charles, MO 63304, is desirous of acquiring the entire right, title and interest in and to said invention and improvements as disclosed in said application, in and to said application, and in and to any patent to be obtained thereon.

NOW THEREFORE, for goods and valuable consideration, the receipt and adequacy of all of which are hereby acknowledge, we, Donald D. Foster and Philip L. Nelson, do hereby assign and transfer unto said Tangent Technology Team LLC. its successors or assigns, the entire right, title and interest in and to said invention and improvements as the same are disclosed in said application which was executed by us in and to said application, and in and to any and all Letters Patent and applications filed therefor, including provisionals, non-provisionals, divisionals, continuations, reissues, reexaminations and extensions to be obtained therefor in the United States and all foreign countries; and we further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent as the assignee may desire to apply for, but at the expense of said assignee.

The Commissioner of Patents or other proper official is hereby authorized and requested to issue said future Letters Patent based on this Provisional Patent Application to said Tangent Technology Team, LLC in accordance with this Assignment.

For said considerations, the undersigned hereby agree, upon the request and at the expense of said Assignee, to execute any provisional, non-provisional, divisional, continuation-in part or substitute application for said invention or improvements, and oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application(s), and, in the event of any application or Letters Patent assigned herein becoming involved in an interference, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. The undersigned agree to perform, upon request, any affirmative acts to obtain said Letters Patent of the United States and vest in said Assignee all rights therein, whereby said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

And for said consideration, the undersigned hereby assign to said Assignee the entire right, title and interest in said invention or improvements for all foreign countries, including all priority rights, and agree to execute, at the request of said Assignee, all documents in connection with any application for foreign Letters Patent therefor.

IN WITNESS WHEREOF, I have hereunto set my hand the 1<sup>ST</sup> day of June, 2011.
