## ASSIGNMENT

WHEREAS, I, James W. Long of Merseyside, England, have made certain inventions which are described in a patent application for Letters Patent of the United States entitled **"SYSTEM AND METHOD FOR FACILITATING BANKING TRANSACTIONS"**, and identified by Attorney Docket No. 1968.023, and

WHEREAS, Talaris Holdings Limited. (hereinafter referred to as said Company), a corporation having a place of business at Talaris House, Crockford Lane, Chineham Business Park, Basingstoke, RG24 8QZ, England is desirous of acquiring my entire interest in said inventions throughout the United States of America and the territories thereof, for all other countries and under all international agreements,

NOW, THEREFORE, for good and valuable consideration, receipt whereof is hereby acknowledged, I hereby sell, assigns and transfers unto said Company, its successors and assigns, my entire rights, titles and interests throughout the United States of America and the territories thereof, for all foreign countries and under all international agreements in and to said inventions, the aforesaid application, all other applications hereafter filed in the United States, in any other country, or under any international agreement based in whole or in part on said inventions, and all Letters Patents granted upon said applications by the United States, by any other country or under any international agreement, and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said Company. I further grant to said Company, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries or between any other countries.

I hereby warrant that I have the full right to make the conveyance herein and I hereby covenant that I, my heirs, legal representatives and assigns, will when requested, communicate to said Company, its representatives, successors and assigns, all facts known respecting said inventions, execute all divisional, continuing, reissue, reexamination and foreign or international applications, together with individual assignments therefore, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said Company, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, I have hereunto set my hands and seal at the location and on the date indicated with my signature.
