ASSIGNMENT

This Assignment is made this 1st day of APRIL 2011 ("the Effective Date") between:

- (1) **Element Six Limited** whose registered office is at Isle of Man Freeport, Ballasalla, Isle of Man IM99 6AQ, British Isles ("Assignor"), and
- (2) **Diamond Microwave Devices Limited** whose registered office is at Leeds Innovation Centre, 103 Clarendon Road, Leeds LS2 9DF ("Assignee").

WHEREAS

- (A) Assignor is the legal owner of US Patent Application 11/912,414 ("the Patent Application").
- (B) Assignor has agreed to assign the Patent Application, and any present or future patent applications and patents divided, continued or otherwise derived from the Patent Application, to the Assignee.

AGREED TERMS

1. In consideration of the sum of US\$1 (One US Dollar), receipt of which the Assignor expressly acknowledges, the Assignor hereby assigns to the Assignor the full and exclusive benefit of the Patent Application and any patent granted thereon, and any present or future patent applications and patents divided, continued or otherwise derived from the Patent Application without encumbrance, including the right to recover and take all proceedings as may be necessary for the recovery of damages or otherwise in respect of all infringements of the Patent Application, and any present or future patent applications and patents divided, continued or otherwise derived from the Patent Application, by a third party whether committed before or after the date of this Assignment.
2. The Assignor hereby covenants with the Assignee that the Assignor shall, at the request of the Assignee, and at no cost to the Assignee, execute and sign all such instruments and documents and do all such things as may reasonably be required by the Assignee to enable the Assignee or its nominee to enjoy the full benefit of the rights transferred by this assignments.
3. This Assignment shall be governed by and construed in accordance with the laws of England.
