ASSIGNMENT

WHEREAS, Weber-Knapp Company, a corporation organized under and pursuant to the laws of New York having its principal place of business at 441 Chandler St.; Jamestown, New York 14702-0518 (hereinafter referred to as Assignor), is a joint owner, by assignment from inventors Warren A. Waxham, Michael G. Wisniewski and Brent A. Honsberger, of the Patent Application listed in Schedule A; and

WHEREAS, Brown Water Plastics, LLC, a Limited Liability Company organized under and pursuant to the laws of Kentucky having its principal place of business at 4500 Clarks River Road, Paducah, Kentucky 42003 (hereinafter referred to as Assignee), is desirous of acquiring the right, title and interest in, to and under said Patent Application and the invention covered thereby;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the said Assignor has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over to the said Assignee, the entire right, title and interest for the United States of America and all other countries in and to said applications for all original, divisional, continuation, continuation-in-part, substitute or reissue applications and patents applied for or granted therefore in the United States of America and all other countries on the attached list of *Schedule A*, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on *Schedule A* to said Assignee herein, as Assignee of the entire interest therein; and the undersigned for itself and its legal representatives, heirs and assigns does hereby agree and covenant without further remuneration, to execute and deliver all divisional, continuation, continuation-in-part, reissue and other applications for Letters Patent and all assignments thereof to said Assignee or its assigns, to communicate to said Assignee or its representatives all facts known to the undersigned respecting said invention listed on *Schedule A* whenever requested, to testify in any interferences or other legal proceedings in which said application or patent may become involved, to sign all lawful papers, make all rightful oaths, and do generally everything necessary to aid Assignee, its successors, assigns and nominees to obtain patent protection for said invention listed on *Schedule A* in the United States of America and all other countries, the expenses incident to said application listed on *Schedule A* to be borne and paid by said Assignee.

AND Assignor hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

GIFFORD, KRASS, SPRINKLE, ANDERSON & CITKOWSKI, P.C.

All practitioners at Customer Number 25006

The Parties further agree that provided Assignor meets Assignee's product specifications for the door assembly to the satisfaction of Assignee, Assignor shall be the sole supplier of the agreed product to Assignee. Assignee shall have the right to pursue alternate suppliers if Assignor is unable to meet reasonable pricing, quality, delivery, and service requirements for the needs of Assignee.
