ASSIGNMENT

WHEREAS, The Regents of the University of California, a California corporation, as represented by its Davis campus, having an address at UC Davis InnovationAccess, 1850 Research Park Drive, Suite 100, Davis, California 95618-4692, hereinafter referred to as "Assignor," has an ownership interest in and to the inventions set forth in the patent applications listed on the attached Exhibit A;

WHEREAS, Technion Research and Development Foundation, having an address at Technion City, Senate Bldg., Haifa 32000, Israel, hereinafter referred to as "Assignee," has an ownership interest in and to the inventions set forth in the patent applications listed on the attached Exhibit A;

WHEREAS, Assignee is desirous of confirming, in accordance with this Assignment, its joint ownership interest (joint with Assignor) in the patent applications listed on the attached Exhibit A and in any Letters Patent and Registrations that may be granted on the same, and Assignor is desirous of confirming such joint ownership interest;

For good and valuable consideration, receipt of which is hereby acknowledged by Assignor, Assignor has assigned, and by these presents does assign, to Assignee an undivided joint ownership interest in and to the applications listed on the attached Exhibit A and to all foreign counterparts (including patent, utility model and industrial designs), and in and to any Letters Patent and Registrations which may hereafter be granted on the same in the United States and all countries throughout the world, and to claim the priority from the applications as provided by the Paris Convention. The right, title and interest to such applications, foreign counterparts, Letters Patent and Registrations is to be held and enjoyed jointly by Assignee and Assignor, as well as their respective successors and assigns, as fully and exclusively as such right, title and interest would have been held and enjoyed by Assignor had this assignment not been made, for the full term of any Letters Patent and Registrations which may be granted on such applications or foreign counterparts, or of any divisions, renewals, continuations in whole or in
