## CERTIFICATE OF EFS FILING UNDER 37 CFR §1.8

I hereby certify that this correspondence is being electronically transmitted to the United States Patent and Trademark Office, Commissioner for Patents, via the EFS pursuant to 37 CFR §1.8 on the below date:

Date: June 7, 2011 Name: Richard J. Godlewski Signature: /Richard J. Godlewski/

## ASSIGNMENT AND AGREEMENT

For value received, I, Roy K. Greenberg residing at 1 Shoreby Drive, Bratenahl, OH 44108, U.S.A., hereby sell, assign, and transfer to **The Cleveland Clinic Foundation**, a not-for-profit corporation of the State of Ohio, having an office at 9500 Euclid Avenue, Cleveland, OH, 44195, U.S.A., and its successors, assigns, and legal representatives, hereinafter collectively "Cleveland Clinic", the entire right, title and interest, for the United States of America, in and to certain inventions related to "**PRE-LOADED STENT GRAFT DELIVERY DEVICE**" described in Australian Application No. 2010202487, filed on June 15, 2010, and described in U.S. Application Serial No. 13/153,753 filed on June 10, 2011, (I hereby consent to the patent attorney entering the serial number when it becomes known), and all the rights and privileges in said application and under any and all Letters Patent or any continuation, division, renewal, or substitute thereof, and any reissue or re-examination thereof that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Cleveland Clinic, the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions. I sell, assign, and transfer this right, title and interest as of the day of signature or of filing of the Australian Patent Application mentioned above, whichever is the earlier.

I authorize Cleveland Clinic to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Cleveland Clinic to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to Cleveland Clinic in the United States and in all countries foreign to the United States, or to such nominees as Cleveland Clinic may designate.

I agree that, when requested, I shall, without charge to Cleveland Clinic but at their expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
