PATENT ASSIGNMENT

This Patent Assignment (the "Assignment") is made from FX Luminaire, Inc., a California corporation, whose principal place of business is 10019 Waples Court, San Diego, CA 92121 ("Company"), to Hunter Industries Incorporated, a Delaware corporation, whose principal place of business is 1940 Diamond Street, San Marcos, CA 92069 ("Purchaser").

Pursuant to the Asset Purchase Agreement entered into among the Company, Purchaser, Joshua Beadle and Eleanor Beadle as of February 2, 2009 (the "Asset Purchase Agreement"), Company desires to assign to Purchaser all of Company's right, title and interest in and to the patents and patent applications any and all divisional applications, continuing applications, or reissue patents restated thereto or based thereon, any and all patents issuing thereon, and any and all foreign patents and patent applications corresponding thereto or relying thereon for its filing or convention date included in the Purchased Assets (as defined in the Asset Purchase Agreement) (the "Patents"), including those Patents set forth on Exhibit A attached hereto, together with the good will of the business pertaining thereto.

In consideration for Purchaser's obligation under the Asset Purchase Agreement and for other good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, as of the close of business on February 2, 2009, Company does hereby assign, transfer, grant, sell and otherwise convey to Purchaser all of Company's right, title and interest in and to the Patents, including all common law rights therein, applications to register therefor, together with the good will of the business symbolized by the Patents and all claims for damages by reason of past infringements of the Patents with the right to sue for and collect the same for its own use and benefit, and for the use and on behalf of its successors, assigns and other legal representatives. Company authorizes the Commissioner of Patents and Trademarks of the United States of America, and the empowered officials of all other governments to issue or transfer all said patents and patent applications to Purchaser, as assignee thereof, or otherwise as Purchaser may direct.
