ASSIGNMENT
(Multiple Inventors)

Steven Ortiz
WHEREAS, I, _____

_____, hereinafter referred to as Assignor
have invented certain new and useful
improvements in _____

FRANGIBLE COLLAR FASTENER AND NUT RETRIEVAL SOCKET

described in an application for United States Letters Patent, executed
by me on the date as stated below;

WHEREAS, Northrop Grumman Systems Corporation, a
Delaware corporation, having its principal place of business at

1840 Century Park East
Los Angeles, CA 90067
United States of America

, hereinafter referred to as Assignee, is desirous of acquiring the entire
right, title and interest in, to and under said improvements and said
application:

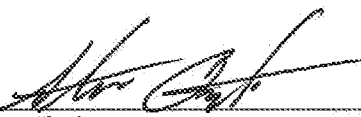

NOW, THEREFORE, in consideration of Assignor's obligations to Northrop Grumman
Systems Corporation, and for other good and valuable consideration, the receipt and sufficiency
of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by
these presents does hereby sell, assign, transfer and set over, unto Assignee, its successors,
legal representatives and assigns, Assignor's entire right, title and interest in, to and under said
improvements, and said application and all divisions, renewals, continuations, and continuations-
in-part thereof, and all United States Letters patent that may be granted thereon and all reissues
and extensions thereof, and all applications for Letters Patent that may hereafter be filed for said
improvements in any country or countries foreign to the United States, including the full right to
claim for any such application the priority benefits of the International Convention for the
Protection of Industrial Property and other priority-conferring treaties, and all Letters Patent that
may be granted for said improvements in any country or countries foreign to the United States
and all extensions, divisions, continuations, continuations-in-part, renewals and reissues thereof;
and Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of
the United States, and any official of any country or countries foreign to the United States, whose
duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said
improvements to said Assignee, its successors, legal representatives and assigns, in accordance
with the terms of this instrument;

Assignor hereby acknowledges that at the time of making the improvements herein
identified, Assignor was under an obligation to assign to Assignee, Assignor's entire right, title
and interest in, to and under said improvements;

Assignor hereby covenants that Assignor has full right to convey the interest herein assigned, and that Assignor has not executed, and will not execute, any agreement in conflict herewith and that Assignee, Northrop Grumman Systems Corporation, its successors, assigns and other legal representatives shall have the right to hold and enjoy for its and their own use and benefit, to the end of the term or terms for which such Letters Patent shall or may be granted, reissued or extended as fully and completely as the same right could have been held and enjoyed by Assignor had this Assignment not been made.

Assignor hereby further covenants and agrees to communicate to Assignee, its successors, legal representatives and assigns, any and all facts known to Assignor respecting said improvements; to promptly provide Assignee with all documents relating to said improvements, said invention, and said Letters Patent as may be known or accessible to Assignor; to testify as to the same in any interference or litigation or other legal proceedings related thereto; to sign all lawful papers, execute all extensions, continuations, continuations-in-part, divisional and reissue applications; and to make all rightful oaths or declarations and generally do everything possible to aid Assignee, its successors, legal representatives and assigns in obtaining and enforcing all the rights herein conveyed for said improvements in all countries without further compensation, but at the expense of Assignee, its successors, legal representatives and assigns.

IN WITNESS WHEREOF, the undersigned has executed and delivered this instrument this 7th day of June, 2011, and has executed the referenced patent application on the 7th day of June, 2011.
