ASSIGNMENT

For good and valuable consideration, the receipt and adequacy of which is hereby acknowledged,

Novartis AG, a company organized under the laws of the Swiss Confederation, of Lichtstrasse 35, 4056 Basel, Switzerland,

does hereby sell, assign and transfer to **QLT Inc.**, whose registered office is at 887 Great North Way, Suite 101, Vancouver, British Columbia, Canada, (hereinafter referred to as the "**ASSIGNEE**") and its successors, assigns and legal representatives all right, title and interest, and all rights of action and remedies (including, without limitation, the right to enforce against past and future infringement by others) in and to (1) all inventions and discoveries described in the patent application(s) entitled:

METHOD FOR TREATING NEOVASCULARIZATION

and listed in Schedule A, (2) the patent application(s) identified in (1), (3) all continuations, continuations-in-part and divisions of any United States patent application identified in (1), (2) and (3) (hereinafter referred to collectively as "patent applications"), (4) all United States Letters Patents that are granted on any of said patent applications, (5) all registrations and confirmations of, and importation certificates based upon, one or more of said United States Letters Patents and applications for such registrations, confirmations and importation certificates and (6) all reissues, renewals and extensions of said United States Letters Patents, registrations, confirmations and importation certificates, reexamination certificates issued for said United States Letters Patents, the same to be held and enjoyed by said **ASSIGNEE** and their successors, assigns and legal representatives to the full ends of the terms for which said United States Letters Patents, registrations, confirmations, importation certificates, reexamination certificates, reissues, renewals and extensions may be granted, as fully and entirely as the same would have been held and enjoyed by us if this sale, assignment and transfer had not been made.

And we hereby covenant and agree that we will, at any time, upon the request, but at the expense, of **ASSIGNEE** or their successors, assigns or legal representatives, execute and deliver all documents, instruments and applications, make all rightful oaths and declarations, and do all such acts, that may be reasonably necessary or desirable to perfect the title to the foregoing inventions and discoveries, patent applications, United States Letters Patents, registrations, confirmations, importation certificates, reissues, renewals, extensions and reexamination certificates, in **ASSIGNEE** or their successors, assigns or legal representatives, including without limitation, the execution and procurement of all further documents evidencing this sale, assignment and transfer as may be necessary or desirable for recording the same in the patent office or other intellectual property office, agency or the like of any country or region.
