2. **Further Actions.** Seller covenants and agrees to warrant and defend the sale, transfer, assignment, conveyance, grant and delivery of the Transferred Intellectual Property hereby made against all persons whomsoever, to take all steps reasonably necessary to establish the record of Purchaser's title to the Transferred Intellectual Property and, at the request of Purchaser, to execute and deliver further instruments of transfer and assignment and take such other action as Purchaser may reasonably request to more effectively transfer and assign to and vest in Purchaser the Transferred Intellectual Property, all at the sole cost and expense of Seller, including executing and delivering the Patent Assignment attached hereto as Exhibit 1 and the Trademark Assignment attached hereto as Exhibit 2.

3. **Power of Attorney.** Without limiting Section 2 hereof, Seller hereby constitutes and appoints Purchaser the true and lawful agent and attorney in fact of Seller, with full power of substitution and resubstitution, in whole or in part, in the name and stead of Seller but on behalf and for the benefit of Purchaser and its successors and assigns, from time to time:

(b) to institute and prosecute, in the name of Seller or otherwise, any and all proceedings at law, in equity or otherwise, that Purchaser or its successors and assigns may deem proper in order to collect or reduce to possession any of the Transferred Intellectual Property and in order to collect or enforce any claim or right of any kind hereby assigned or transferred, or intended so to be; and

(c) to do all things legally permissible, required or reasonably deemed by Purchaser to be required to recover and collect the Transferred Intellectual Property and to use Seller's name in such manner as Purchaser may reasonably deem necessary for the collection and recovery of same,
