have invented certain new and useful improvements in

EXTENSION POLE ASSEMBLY WITH DUAL CONNECTING MEMBERS

an invention which is fully described in an application for Letters Patent of the United States which was filed in the United States Patent and Trademark Office on **May 2, 2011** and assigned Application Serial No. **13/098,818** executed by us this day; and

The ASSIGNEE, Unger Marketing International, LLC, a Delaware corporation having its principal office at 425 Asylum Street, Bridgeport, Connecticut 06610, US wishes to acquire the entire right, title and interest in and to the invention and under Letters Patent which may be obtained for this invention.

For valuable and legally sufficient considerations, receipt of which are hereby acknowledged, the Assignors sell, assign, and transfer to Assignee, its successors and assigns, the entire right, title and interest for the United States in and to the above-identified invention and application, divisionals, continuations, and continuation-in-part and for the full term of any Letters Patent of the United States that may issue for the invention.

The Assignors also sell, assign, and transfer to Assignee the entire right, title and interest in and to the invention and application for Letters Patent and Letters Patent therefor in all countries

foreign to the United States, including all rights under the International Convention. The Assignors further authorize Assignee to apply for Letters Patent in foreign countries in the name of Assignee, and to claim the priority of the filing date of the United States Application under the provisions of the International Convention.

The Assignors further agree, for themselves and their legal representative, that they will assist Assignee in the prosecution before the United States Patent Office and the Federal Courts of this application, and other applications for Letters Patent including renewals, continuations, divisions, reissues and substitutions, that the Assignee elects to make covering the invention. The Assignors vest in Assignee like exclusive title in and to all such other applications and Letters Patent. The Assignors agree to execute and deliver to Assignee any documents which may be requested by Assignee to carry out the terms of this Assignment.

The Commissioner of Patents of the United States is authorized and requested to issue Letters Patent of the United States to Assignee. The Assignors authorize and request the equivalent authorities in foreign countries to issue the patents of foreign countries to Assignee.
