ASSIGNMENT

WHEREAS, G Squared Consulting, L.L.C., a limited liability company duly organized under the laws of the State of Arizona, and having its principal place of business at 3819 S. Evans Blvd. #306, Tucson, Arizona 85714 (hereinafter "Assignor"), is the owner of the patents and inventions listed in the attached Schedule of Patents (hereinafter "Patent Properties"); and

WHEREAS, Olive Tree Financial Group, L.L.C., a limited liability company duly organized under the laws of the State of Arizona, and having its principal place of business at 3819 S. Evans Blvd. #306, Tucson, Arizona 85714 (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to the Patent Properties and to the inventions therein disclosed;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and convey unto Assignee, its successors and assigns, the entire right, title and interest in and to the Patent Properties and the inventions therein disclosed, including any divisionals, continuations, continuations in part, extensions, renewals, and reissues thereof throughout the world; and in and to all applications for patents or similar legal protection that may hereafter be filed for said inventions in any country, all patents or similar legal protection that may be granted for said inventions in any country and all extensions, renewals and reissues thereof or legal equivalent thereof; the same to be held and enjoyed by Assignee for its own use and the use of its successors and assigns, to the full end of the term for which the Patent Properties may be granted, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment and sale not been made.

Assignor hereby authorizes and requests the Director of Patents of the United States, and any official of any other country whose duty it is to issue patents or similar legal protection on said applications, to issue patents or similar legal protection for said inventions to Assignee, the same to be held by Assignee for its own use and benefit, to the full end of the term for which said patents or similar legal protection are or may be granted, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made.

Assignor hereby covenants and warrants that as of the date hereof it is the true and lawful owner of the entire, right, title and interest in the Patent Properties and the inventions therein disclosed, that it has the full right and power to convey the same, that the same are free and clear of all liens, charges and encumbrances whatsoever, and that it has not executed and will not execute any agreement in conflict herewith.
