INVENTORS' ACKNOWLEDGMENT  
AND  
PATENT ASSIGNMENT

This Agreement is made

BY AND BETWEEN

Paul GREENHALGH ("the First Inventor") c/o Team Consulting Limited, Abbey Barns, Duxford Road, Ickleton, Cambridge CB10 1SX, United Kingdom of the first part;

Joseph Maria GRIMBERGEN ("the Second Inventor") c/o Profibrix B.V., Zernikedreef 9, 2333 CK Leiden, The Netherlands of the second part;

Oliver HARVEY ("the Third Inventor") c/o Team Consulting Limited, Abbey Barns, Duxford Road, Ickleton, Cambridge CB10 1SX, United Kingdom of the third part;

Team Consulting Limited ("the Consultant"), a company registered in England under the number 02072719 and whose registered office is situate at Abbey Barns, Duxford Road, Ickleton, Cambridge CB10 1SX, United Kingdom of the fourth part; and

Profibrix B.V. ("the Assignee") a company registered in The Netherlands, whose registered office is at Zernikedreef 9, 2333 CK Leiden, The Netherlands of the fifth part

WHEREAS

- A. The First Inventor, the Second Inventor and the Third Inventor are jointly the actual devisers of the invention ("the Invention") described in International Patent Application PCT/GB2009/051714 (the "Patent Application") which was filed on 15 December 2009 and which claims priority from United Kingdom Patent Applications 0822759.7 and 082270.4 (collectively "the Priority Applications") both of which were filed on 15 December 2008.
- B. The Invention was made by the First Inventor and the Third Inventor in the course of their employment by the Consultant.
- C. The Invention was made by the Second Inventor in the course of his employment by the Assignee.
- D. The Consultant and the Assignee have agreed that the rights to the Invention and to the Patent Application are to be held by the Assignee.
- E. The parties to this assignment desire to confirm that all right and title and interest in and to the Patent Application, the Priority Applications and to the Invention are to be vested in the Assignee.

NOW THEREFORE IT IS AGREED as follows:

1. The Second Inventor hereby ACKNOWLEDGES that the Invention arose in the course of his employment by the Assignee, and that as between the Second Inventor and the Assignee all the rights to the Invention belong to the Assignee.
2. Each of the First Inventor and the Third Inventor hereby ACKNOWLEDGE that the Invention arose in the course of his normal duties and the circumstances were such that an invention might reasonably have been expected to result from the carrying out of his duties, and that therefore as between the First Inventor and the Consultant and as between the Third Inventor and the Consultant all the rights to the Invention belong to the Consultant by virtue of Section 39(1) of the Patents Act 1977.
3. To the extent that notwithstanding the foregoing Clauses 1 and 2 any rights in and to the Patent Application, the Priority Applications or the Invention remain vested in the First Inventor, the Second Inventor or the Third Inventor, in consideration of the sum of one pound sterling (£1) (receipt of which from the Assignee is hereby acknowledged by each of the First Inventor, the Second Inventor and the Third Inventor), each of the First Inventor, the Second Inventor and the Third Inventor hereby ASSIGNS to the Assignee with full title guarantee all of his right title and interest in and to the Patent Application, the Priority Applications and the Invention for all countries of the world, including without limitation the United Kingdom and all countries of the Patent Cooperation Treaty, including the right to file applications for and obtain corresponding protection in any and all countries of the world and to claim priority from the Priority Applications, together with any and all divisional, continuation, continuation-in-part, reissue applications and the like, and the Second Inventor hereby CONSENTS to the filing of any and all applications in respect of said Invention in the name of the Assignee.
4. In consideration of the sum of one pound sterling (£1) (receipt of which from the Assignee is hereby acknowledged by the Consultant), the Consultant hereby ASSIGNS to the Assignee with full title guarantee all of its right title and interest in and to the Patent Application, the Priority Applications and the Invention for all countries of the world, including without limitation the United Kingdom and all countries of the Patent Cooperation Treaty, including the right to file applications for and obtain corresponding protection in any and all countries of the world and to claim priority from the Priority Applications, together with any and all divisional, continuation, continuation-in-part, reissue applications and the like, and the Consultant hereby CONSENTS to the filing of any and all applications in respect of said Invention in the name of the Assignee.
5. Each of the First Inventor, the Second Inventor, the Third Inventor and the Consultant hereby covenant and agree to do all such things and to execute without further consideration such documents as may be reasonably required to file and prosecute applications for protection of the Invention in such countries as shall be determined by the Assignee, and at the expense of the Assignee to give all reasonable assistance in obtaining and enforcing any such protection.
5. This Agreement shall be effective from 15 December 2008.
