## ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged,  
I the undersigned,

Edward M. Granger, 178 Pizarro Avenue, Novato, CA 94949

(hereinafter, "Assignor"), who have created a certain invention for which a non-provisional application has been filed with the United States Patent Office entitled:

**COLOR MEASUREMENT SYSTEM INCLUDING A DIGITAL COLOR SENSOR  
AND A HOST COMPUTER IN COMMUNICATION WITH THE COLOR SENSOR**

*(insert title of invention)*

and

- ☐ for which the application is attached hereto; or
- ☒ for which the U.S. Letters Patent issued on May 2, 2000, as Patent No. 6,058,357.

Do hereby sell, assign and transfer to:

X-Rite, Inc., 4300 44<sup>th</sup> Street SE, Grand Rapids, MI, 49512

*(insert full name(s) and post office addresses of assignee)*

(hereinafter, "Assignee"), its successors, assigns, and legal representatives, the full and exclusive right to said invention and said application and to any and all inventions described in said application for the United States, its territorial possessions and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States, its territorial possessions and all foreign countries; and in and to any and all non-provisional applications, continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, and all other applications for Letters Patent relating thereto which have been or shall be filed in the United States, its territorial possessions and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, acts, and treaties, including all future conventions, unions, agreements, acts, and treaties;

I authorize Assignee to apply for and receive Letters Patent for such protection in its own name, in the United States, its territorial possessions, and all foreign countries; and that, when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said Assignee, the undersigned will execute all non-provisional applications, continuations-in-part, continuations, divisions, substitutes, reissues, and extensions thereof, execute all rightful oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to said Assignee, its successors, assigns, and legal representatives all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said Assignee, its successors, assigns and legal representatives;

Assignee agrees and acknowledges that Assignor, his heirs, successors, assigns, companies and legal representatives, shall have no financial liens or other encumbrance with respect to any potential enforcement and/or licensing of the intellectual property rights assigned to Assignee herein; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

IN TESTIMONY WHEREOF, I/we have hereunto set our signature(s) below.
