A S S I G N M E N T

WHEREAS, I, Dexter Turner, of West Linn, Oregon, have invented certain inventions as described in the following patent application: U.S. Patent Application No. 13/070,389, filed on March 23, 2011, entitled "Electric Vehicle Charging Station Parking Meter Systems," (hereinafter the "patent application");

WHEREAS, Optimization Technologies, Inc., a corporation organized under the laws of the State of Oregon, having a place of business at 15236 NW Greenbrier Parkway, Beaverton, Oregon 97006, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I, Dexter Turner, hereby sell, assign and transfer to Optimization Technologies, Inc., the full and exclusive right, title and interest in and to said inventions, patent application and patent rights throughout the world, including foreign and domestic patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said inventions, patent application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Optimization Technologies, Inc., for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by me had this assignment and sale not been made, and covenant that I have full right so to do, and agree that I will communicate to Optimization Technologies, Inc., or its successors and assigns, any facts known to me respecting said inventions, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Optimization Technologies, Inc., its successors and assigns to obtain and enforce proper patent protection for said inventions in this or any foreign country.

I confirm that at the time the inventions were made, I was under an obligation to assign the inventions to Optimization Technologies, Inc.

I hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
