## AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT

This AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, restated, supplemented or modified from time to time, this "**Agreement**") is made as of this 28<sup>th</sup> day of February, 2011, by and between LIVEVOX, INC., a Delaware corporation (the "**Grantor**"), having a principal place of business at 450 Sansome Street, Suite 900, San Francisco, California 94111, and Jon Charles Buff, an individual ("**Secured Party**"), having an address at 18286 Southeast Village Circle, Tequesta, Florida 33469.

### BACKGROUND

The Grantor and LiveVox International, Inc., a Delaware corporation and wholly owned subsidiary of the Grantor (together with the Grantor, the "**Loan Parties**") are indebted to Secured Party under, and as memorialized by, that certain Amended and Restated Secured Promissory Note in the principal amount of One Million Four Hundred Fifty Thousand Dollars (\$1,450,000.00) dated on the date hereof (as amended, restated, supplemented or modified from time to time, the "**Promissory Note**") executed by the Loan Parties in favor of Secured Party. As a condition to the loan provided by Secured Party to the Loan Parties under the Promissory Note, and in order to secure the outstanding obligations of the Loan Parties to Secured Party under the Promissory Note, the Grantor has agreed to amend and restate that certain Intellectual Property Security Agreement dated as of December 31, 2009 (the "**2009 Intellectual Property Security Agreement**") made by and between Grantor and Secured Party and to pledge and grant to Secured Party a security interest in and lien upon all of its IP Collateral (as defined below), all as more fully set forth herein.

For good and valuable consideration, the receipt and sufficiency of which are acknowledged, and intending to be legally bound, the Grantor and Secured Party agree to amend and restate the 2009 Intellectual Property Security Agreement in its entirety as follows:

1. **Definitions.** Any terms (regardless of capitalization) used in this Agreement that are defined in the applicable Uniform Commercial Code and not otherwise defined herein shall have the meanings assigned to those terms by such Uniform Commercial Code. In addition to terms defined elsewhere in this Agreement, the following terms shall have the meanings set forth below, unless the context otherwise requires:

"**Obligations**" means all indebtedness and other liabilities and obligations of the Loan Parties to Secured Party arising under the Promissory Note, whether direct or indirect (including those acquired by assumption), absolute or contingent, due or to become due, now existing or hereafter arising and including interest and fees that accrue after the commencement by or against any Loan Party of any proceeding under any law relating to bankruptcy, insolvency or reorganization or relief of debtors naming any Loan Party as the debtor in such proceeding, regardless of whether such interest and fees are allowed claims in such proceeding, in each case, including any extensions, modifications, substitutions, amendments and renewals thereof, whether for principal, interest, fees, expenses, indemnification, or otherwise.

2. **Grant of Security Interest.** As security for the full and prompt payment and performance of the Obligations when the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise, the Grantor pledges to Secured Party, and grants to Secured Party a general lien upon and continuing security interest in and to, the collateral described in clauses (a) through (h) of this Section 2, whether now owned or hereafter acquired, or in which it now has or at any time in the future may acquire any right, title, or interest (collectively, the "**IP Collateral**"). This Agreement is intended to create a presently existing and continuing perfected security interest which is intended to attach immediately upon execution and delivery hereof.

(a) The U.S. and foreign copyrights, associated copyright registrations and applications for copyright registration, set forth on Schedule 1 attached hereto;

(b) The U.S. and foreign patents and patent applications set forth on Schedule 2 attached hereto, including, without limitation, divisions, continuations, reissues, extensions and continuations-in-part of the same;

(c) The U.S., state and foreign trademark and service mark registrations, trademark and service mark applications set forth on Schedule 3 attached hereto and all goodwill associated with the foregoing;

(d) The domain names and registrations set forth on Schedule 4 attached hereto and all goodwill associated with the foregoing;

(e) Any and all claims and causes of action for past, present or future infringement of any of the foregoing, with the right, but not the obligation, to sue for and collect damages for infringement of the foregoing;

(f) Any and all licenses or rights granted under any of the foregoing, and all license fees and royalties arising from such licenses or rights, in each case to the extent permitted by such licenses or rights;

(g) Any and all amendments, renewals, extensions, reissuances and replacements of any of the foregoing; and

(h) Any and all proceeds of any of the foregoing.

3. Continuing Obligations of the Grantor. Secured Party is hereby authorized to file, with or without the signature of the Grantor, as applicable, and the Grantor shall, at any time and from time to time, execute and deliver to Secured Party such financing statements, confirmations, renewals, notices and other documents as Secured Party may in Secured Party's reasonable discretion deem necessary to perfect, preserve and protect Secured Party's security interest in any item of IP Collateral or to implement and continue Secured Party's rights and remedies with respect thereto. Secured Party hereby authorizes and requests that the Register of Copyrights and the Commissioner of Patents and Trademarks (and any state, foreign or other authority to which this Agreement is submitted) file and record this Agreement (and any corresponding or separate forms of such jurisdiction) in order to publicly reflect the interests of Secured Party in the IP Collateral.

THE GRANTOR WAIVES THE RIGHT TO TRIAL BY JURY IN ANY ACTION RELATING TO THIS AGREEMENT.

(e) This Agreement may be executed in any number of counterparts (and by the different parties hereto in different counterparts), each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic transmission shall be effective as delivery of an original manually executed counterpart of this Agreement.

5. Amendment and Restatement.

(a) As of the date hereof, the 2009 Intellectual Property Security Agreement is amended, restated and superseded in its entirety hereby.
