ASSIGNMENT

WHEREAS,

Toyo Boseki Kabushiki Kaisha, hereinafter referred to as **Assignor**, having its place of business at:

**2-8, Dojimahama 2-Chome Kita-Ku
Osaka-Shi, Osaka, Japan 530**

is the owner of U.S. Patent No. 6,054,304 issued on April 25, 2000, the ownership interests for which were recorded in Reel No. 009029, Frame No. 0284.

WHEREAS,

Naoyuki Taniguchi, hereinafter referred to as **Assignee**, at:

**2-1, Hirosawa
Wako-shi, Saitama 351-0198
Japan**

has acquired the title, rights, benefits, and privileges hereinafter recited.

NOW, THEREFORE, in consideration of One U.S. Dollar (U.S. \$1.00) and other valuable consideration furnished by Assignee to Assignor, receipt and sufficiency of which Assignor hereby acknowledges, Assignor hereby, without reservations:

1. Assigns, transfers, and conveys to Assignee the right, title, and interest owned by Assignor in and to Letters Patent No. 6,054,304, issued on April 25, 2000, of the United States of America, in and to any right, title and interest in the United States of America owned by Assignor as related to any inventions and discoveries described in said Letters Patent, and in and to said inventions and discoveries in the United States of America, any application for Letters Patent of the United States of America on said inventions and discoveries, including all divisional, renewal, reissue, re-examination, substitute, and continuation applications in the United States of America based in whole or in part upon said inventions or discoveries, or upon said applications, and any and all Letters Patent, reissues, and extensions of Letters Patent granted for said inventions and discoveries or upon said applications in the United States of America, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications, and said Letters Patent as owned by Assignor.

2. Warrants that Assignor has not knowingly conveyed to others any right, title, and interest to U.S. Patent No. 6,054,304, or any right, title, and interest in the United States of America in the inventions or discoveries claimed in U.S. Patent No. 6,054,304 or any license to

use the same or to make, use, sell or offer to sell anything embodying or utilizing any of said inventions or discoveries in the United States of America, or any right, title and interest in the United States of America owned by Assignor as related to any inventions and discoveries described in said Letters Patent, and in and to said inventions and discoveries in the United States of America, any application for Letters Patent of the United States of America on said inventions and discoveries, including all divisional, renewal, reissue, re-examination, substitute, and continuation applications in the United States of America based in whole or in part upon said inventions or discoveries, or upon said applications in the United States of America, and any and all Letters Patent, reissues, and extensions of Letters Patent granted for said inventions and discoveries or upon said applications in the United States of America, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications, and said Letters Patent as owned by Assignor; and that Assignor has good right to assign the same to Assignee without encumbrance.

3. Binds the legal representative, and assign of Assignor, as well as Assignor itself, to do, upon the request of Assignee and at the expense of Assignee, but without additional consideration to Assignor, or the legal representative, and assign of Assignor, all acts reasonably serving to assure that said inventions and discoveries, the said patent applications and the said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by Assignor, or by the legal representative, and assign of Assignor, if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to Assignor relating to said inventions and discoveries or the history thereof; and to furnish Assignee with any and all documents, photographs, models, samples, and other physical exhibits in the control of Assignor or in the control of the legal representative, or assign of Assignor which may be useful for establishing the facts of the conceptions, disclosures, and reduction to practice of said inventions and discoveries.

IN TESTIMONY WHEREOF, I have hereunto set my hand and seal this 13th
day of June, 2011.

For Assignor:
