SANDVIK INNOVATIONS LLC, a Pennsylvania limited liability company, ("Assignor"), with an address at 460 East Swedesford Road, Suite 2030, Wayne, Pennsylvania 19087, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, irrevocably assigns, transfers and conveys, effective as of June 3, 2011 (the "Effective Date"), free and clear of all liens and encumbrances, unto DEVRIAN INNOVATIONS, LLC, a New Jersey limited liability company ("Assignee"), its successors and assigns, all right, title and interest, whether now known or hereafter created, throughout the universe, in perpetuity, in and to any and all of the inventions (whether patentable or unpatentable and whether or not reduced to practice), all improvements thereto, and all United States and foreign patents, patent applications (whether filed, pending or to-be filed), and patent disclosure (collectively, the "Patents"), in which Assignor possess any rights and/or ownership interests as of the Effective Date, all rights to sue for infringement of any such Patents, whether arising prior to or subsequent to the Effective Date, and any and all reissues, continuations, divisions, continuations-in-part, revisions, extensions and reexaminations thereof that may hereafter be secured under the laws now or hereafter in effect in the United States and in any other jurisdiction, the same to be held and enjoyed by Assignee, its successors and assigns from and after the Effective Date as fully and effectively as the same would have been held and enjoyed by Assignor had this Assignment not been made. The Patents include, without limitation, those Patents as to which a patent registration has been issued by, or an application for a patent registration therefor has been filed with, the United States Patent and Trademark Office or any other applicable foreign filing office in the name of or on behalf of any of Assignors, including but not limited to those referred to on **Schedule A** annexed hereto and incorporated herein by reference.

**TO HAVE AND TO HOLD** the aforementioned properties, assets and rights unto Assignee, its successors and assigns, to and for its use forever.

Assignor shall promptly, upon the request of Assignee and/or any of its successors and assigns, execute such other documents and/or instruments of assignment, transfer and conveyance as Assignee and/or its successors and assigns may request to permit Assignee or any of its successors or assigns to record the assignment covered by this Assignment or any other documents, all as Assignee, or any of its successors or assigns, may reasonably deem necessary, appropriate or desirable to evidence or effectuate the terms or intent of this Assignment. Without limiting the foregoing, Assignor hereby irrevocably appoints Assignee and each of Assignee's successors and assigns, and each of the officers of any of them, signing singly, as attorney-in-fact with full power (and coupled with an interest), with full power of substitution, to be the true and lawful attorney of Assignor, in the name, place and stead of Assignor, to execute, acknowledge, deliver, file and record any and all documents (including but not limited to any instrument(s) of assignment, transfer and/or conveyance), and to take all other actions, in each case which Assignee and/or its successors and assigns may reasonably deem necessary or appropriate but only to evidence or effectuate the assignment, transfer and/or conveyance to Assignee and/or its successors and assigns of the rights, licenses, privileges and properties to be assigned, transferred and/or conveyed hereunder, the exercise any and all rights in and to such rights, licenses, privileges and properties, and all other intents evidenced hereby, and only to the extent that such actions and/or documents effected under such power of attorney do not create any future obligation of any kind upon Assignor.
