ASSIGNMENT

This Assignment (the "Assignment") is made and entered into on the date set forth below on the signature page hereto by and between the following:

Specialized Packaging Group LP, having a place of business at 1805, 50ième Avenue, Lachine, Quebec H8T 3C8, (the "Assignor"); and

Ivex Protective Packaging, Inc., having a place of business at 8100 South 77th Avenue, Bridgeview, Illinois 60455, (the "Assignee"), (each a "Party" and collectively, the "Parties").

WHEREAS, Assignor is the owner of certain rights, title and interest in and to new and useful improvements as described and set forth in the below identified application and for United States Letters Patent identified as Attorney Docket No. 38722.00.0040:

Title: "FOAM DISPENSER"

Application No.: 29/394,211

Application Filing Date: June 14, 2011

WHEREAS, Assignee is desirous of acquiring Assignor's right, title, and interest in, to, and under such improvements, such application, any Letters Patent that may be granted on the same, and any other application or Letters Patent covering such improvements (the "Patent Rights"), as hereinafter more fully set forth.

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, in consideration of the foregoing, the mutual covenants set forth herein, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the Parties, and intending to be legally bound, the Parties agree as follows:

1. Assignor hereby sells, assigns, and transfers to Assignee all Assignor's right, title, and interest in, to, and under the Patent Rights and any other application or Letters Patent covering the Patent Rights that may be granted therefrom due to divisions, reissue, substitutions, extensions, continuations, and continuations-in-part.
2. Assignor hereby sells, assigns, and transfers to Assignee all Assignor's right, title, and interest in and to any related or counterpart patent applications, invention registrations, or equivalents thereto and any Letters Patent therefrom in all countries foreign to the United States, including the right to claim priority under the International Convention for the Protection of Industrial Property and other agreements and treaties of like purpose, claiming approximately the same subject matter of the Patent Rights.
3. Assignor represents and warrants that all such sales, assignments, and transfers are valid and free and clear of all liens, encumbrances, and claims of third parties.
4. This Assignment shall be binding upon and inure to the benefit of the Parties hereto and their respective successors, assigns, heirs, legatees, and personal representatives, as the case may be and the official language with respect to construction and governance of this Agreement shall be the English language.

5. Assignor covenants to (a) execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such rights, title, and interest in, to, and under the Patent Rights in Assignee; (b) assist Assignee in the prosecution of any of the applications herein referred to, including, without limitation, signing all lawful papers, executing all divisional, continuation, continuation-in-part, reissue, and substitute applications, making all lawful oaths, and assisting in vesting title in the Assignee and to aid the Assignee to obtain and enforce proper protection for the subject matter of the Patent Rights in all countries; and (c) assist Assignee in the prosecution or defense of any interference, infringement, or other action that may arise involving the Patent Rights or any claim thereto or thereunder, including, without limitation, testifying in any legal proceedings and notifying Assignee promptly of any subpoena or contact by any person other than Assignee or its agents regarding the Patent Rights, and in any event at least one week prior to any deposition, legal inquiry, or legal proceeding relating to the Patent Rights.

6. Assignor covenants that the Commissioner of Patents and Trademarks is authorized and requested to issue any Letters Patent arising from the Patent Rights to Assignee in accordance with the terms of this Assignment.

7. Assignor authorizes and requests that the attorneys of record in such application bearing the above-mentioned docket number insert in this Assignment the U.S. application number of such application when officially known, if applicable.
