ASSIGNMENT

For good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, Zoran Corporation, a Delaware corporation having a place of business at 1390 Kifer Road, Sunnyvale California 94086, hereafter referred to as Assignor, has sold, assigned and transferred to Zoran Microelectronics Ltd., an Israeli corporation having a place of business at Advanced Technology Center, Building #8/2, Haifa 31905, Israel, its successors, assigns and legal representatives, all hereinafter referred to as said Assignee, the entire right, title and interest, including any right to sue for past infringement, for the United States and all foreign countries, in and to any and all inventions which are disclosed in any United States Letters Patent listed on Schedule A attached hereto, and in and to said any United States Letters Patent listed on said Schedule A, and all divisional, continuing, substitute, renewal, reissue, reexamination and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on said any and all inventions; and in and to all original, reissued, and reexamined patents which have been or shall be issued in the United States and all foreign countries on said any and all inventions including the right to apply for patent rights in each foreign country and all rights to priority.

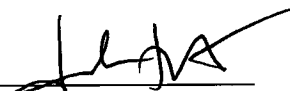

Assignor has agreed that said Assignee may apply for and receive Letters Patent for said any and all inventions in its own name; and when requested, without charge to but at the expense of said Assignee, Assignor has agreed to carry out in good faith the intent and purpose of this assignment, by executing all divisional, continuing, substitute, renewal, reissue, and all other patent applications on said any and all inventions, by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to said Assignee all facts known to Assignor relating to said any and all inventions and the history thereof, and generally by doing everything reasonably possible which said Assignee shall consider desirable for aiding in securing and maintaining proper patent protection for said any and all inventions and for vesting title to said any and all inventions and all applications for patents and all patents on said any and all inventions, in said Assignee.

Assignor requests the Honorable Commissioner of Patents and Trademarks to issue said Letters Patent to said Assignee; and

Covenants with said Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by Assignor and that full right to convey the same as herein expressed is possessed by Assignor.

Said Assignee does hereby acknowledge and accept the above sale, assignment and transfer of all the rights, title and interest enumerated above, including but not limited to the right to priority and the right to sue for past infringement.
