ASSIGNMENT

We, Karl L. Connolly and Chadwick L. Wilson, whose residences and post office addresses are as stated below adjacent to our names, have invented a method and apparatus entitled USER INTERFACE FOR A TIMER, hereinafter called the "invention."

Preferred embodiments of said invention are disclosed in a United States patent application executed concurrently herewith by us and now identified as File No. 3146.2.87 of the law firm of Austin Rapp & Hardman, 170 South Main Street, Suite 735, Salt Lake City, Utah 84101, and filed in the United States Patent and Trademark Office as Serial No. 29/396,539 (We hereby authorize Austin Rapp & Hardman to enter the serial number for the accompanying application when it is provided by the United States Patent and Trademark Office.)

The Assignee, Orbit Irrigation Products, Inc., a corporation of the State of Utah, having its principal place of business at 845 North Overland Road, North Salt Lake, Utah 84054, USA, desires to secure the entire right, title and interest in said invention within the United States.

For good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, WE HEREBY GRANT AND ASSIGN TO THE ASSIGNEE:

The entire right, title and interest in said invention within the United States, in the United States Application and in all divisions, continuations and continuations-in-part of the United States Application, all reissues or extensions of Patents granted thereon, including the right to sue for any acts of infringement of any Patents granted thereon, whether the acts of infringement occurred before or after the execution of this agreement.

Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and benefit of the said Assignee, its successors, assigns and legal representatives.

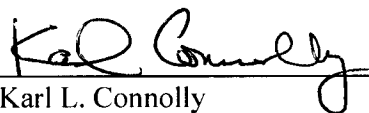

Assignor hereby agrees, without further consideration and without expense to sign all lawful papers and to perform all other lawful acts which the Assignee may request of Assignor to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of Assignor's ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.

This assignment and agreement shall be binding upon our heirs and legal representatives.

Executed this 28 day of JUNE, 2011, at
845 N. OVERLAND (Location) by KARL CONNOLLY (Name).
