AGREEMENT

WHEREAS, ASSIGNOR (listed above) is an inventor of an invention entitled
“Hyperbaric Chamber” for which:

a non-provisional application for United States Letters Patent was filed on 3/31/2011
and was given U.S. Serial No. 29/388,720.

WHEREAS, Environmental Tectonics Corporation (hereinafter referred to as
ASSIGNEE), a corporation of the Commonwealth of Pennsylvania, having a place of business at
125 James Way, Southampton, Pennsylvania 18966, is desirous of acquiring the entire right, title
and interest in and to the invention and in and to any letters patent that may be granted
therefore in the United States and in any and all foreign countries;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of
which is hereby acknowledged, ASSIGNOR hereby sells, assigns and transfers unto ASSIGNEE,
the entire right, title and interest in and to said invention, said application and any and all

letters patent which may be granted for said invention in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from said United States application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, said invention, application and all letters patent on said invention to be held and enjoyed by ASSIGNEE and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNOR(S) had this assignment, transfer and sale not been made. ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks to issue all letters patent on said invention to ASSIGNEE. ASSIGNOR agrees to execute all instruments and documents required for the making and prosecution of applications for United States and foreign letters patent on said invention, for litigation regarding said letters patent, or for the purpose of protecting title to said invention or letters patent therefore.
